Fish Radio -- weekdays, 10:10 a.m. -- a news report on the Alaska state fishing industry.

ISSUE OF NOTE THIS QUARTER: Multiple Dates - relayed summaries of all Prince William Sound Salmon Fishery Announcements. While the fleet and processors are often aware of this content, the local community may not be - so we include these announcements to give Cordova at-large updates on fishing periods and catch numbers so they know when the fleet is coming and going, and how the fisheries are proceeding.

ISSUE OF NOTE THIS QUARTER: 7/31 - "Should commercial fishing vessels go electric?" - focused on organizations across the country that have been organizing efforts around

fuel efficiency, emission reduction, and vessel electrification BEFORE it becomes a mandate for U.S. commercial fishing operations.

ISSUE OF NOTE THIS QUARTER: 8/8 – “Trident says chum market ‘collapsed;’ will stop buying most Alaska salmon Sept. 2” – as the headline suggests, an Aug. 5 letter from Trident Seafoods warned that chum markets had collapsed, the company would only pay \$0.20 for all Alaska chum, they planned to stop buying all salmon in nearly all areas Sept. 2, and they would not participate in fall salmon fisheries.

Into Tomorrow -- weekdays, 7:30 a.m. and 5:30 p.m. -- a 90 second vignette on the latest in consumer technology.

III. RELIGION:

None at present

IV. Emergency Services: Full participation in the EAS system at National, State, and Local levels -- with immediate relay (no delay to accommodate programming) of all Emergency Alerts, all National Alerts, all Amber Alerts, all Required Monthly Tests, and all locally originated Weekly Tests.

ISSUE OF NOTE THIS QUARTER: 7/12, 8/9, 8/24, 9/6, and 9/28 – successfully received and retransmitted all required monthly tests

*** Note *** -- While KCDV is unable to carry the volume of special public interest programming that is offered on our sister station (KLAM), KCDV heavily promotes all of KLAM's special programming and encourages the audience to use both stations equally for a balance of entertainment and information.

In particular, we strongly and frequently promote KLAM'S "Town Meeting" talk show – not only mentioning

extensively when the program airs and what the subject matter is, but also emphasizing that all talk shows are posted to our Youtube channel (youtube.com/cordovatv) for delayed listening on virtually every device.

ISSUE OF NOTE THIS QUARTER: 8/8/23 – We visited with representatives of Cordova Covered Spaces to learn about the latest progress toward creating public areas that Cordovans and visitors can use to enjoy the outdoors without getting soaked by the frequent rain. We also discuss how to leverage local fundraising dollars into much larger grants than can make this vision a reality.
