CBS TELEVISION NETWORK  
PUBLIC AFFAIRS BROADCASTS  
JULY 2020

Page 1 of 10

FACE THE NATION

- 07/05/20 **Guests:** Mark Strassmann, CBS News national correspondent (1); Sylvester Turner, Mayor of Houston, TX (2); Carlos Gimenez, Mayor of Miami-Dade County, FL (3); Dr. Scott Gottlieb, former FDA Commissioner (4); Ambassador John Bolton, former National Security Advisor (5); Mark Zandi, chief economist, Moody's Analytics (6); Stephen Kaufer, CEO, Tripadvisor (7)
- 1) a report from Atlanta on the lack of social distancing and mask wearing at gatherings connected to coronavirus spikes
  - 2) Topics include: increase in positive coronavirus tests and hospitalizations in Houston / tracing the coronavirus spike to the reopening of restaurants and businesses / disagreement with the police chief linking the spike to policing protests / increased demand for testing; President Trump's July 4<sup>th</sup> comments on the removal of Confederate statues
  - 3) Topics include: holiday weekend restrictions meant to slow the coronavirus spread in Miami / belief that the coronavirus spike is linked to the reopening of businesses, restaurants, and the protests / rising number of positive coronavirus cases and deaths / President Trump's comments on coronavirus being "harmless" / concentration of cases in Miami's poor and farm areas / conflicting messaging about precautions from Governor DeSantis (R-FL) and President Trump
  - 4) Topics include: spike in coronavirus infection rates in southern and southeastern states / death rate / President Trump's comments on coronavirus being "harmless" / potential shortage of the drug remdesivir / collaborations between pharmaceutical companies to meet drug manufacturing needs / his continued recommendation against using to treat COVID-19
  - 5) Topics include: Bolton's new book, "The Room Where It Happened" / President Trump's reaction to Bolton's 2018 comparison between North Korea and Libya / the influence of television and non-government opinions on President Trump's decisions; possible source of explosions at Iran's Natanz nuclear site; Russia issuing bounties on American soldiers and supplying weapons to the Taliban in Afghanistan; his strong criticism of Nikki Haley in his book
  - 6) Topics include: improved June unemployment numbers / potential reversal in unemployment numbers as states close down from coronavirus spikes / need for additional government aid for American workers / government support for childcare in the event schools do not reopen in the fall
  - 7) Topics include: changes to American travel for summer vacations / shift away from southern tourist destinations / President Trump's suggestion of a tax credit for vacationers / consumer concerns regarding travel / safety guidelines undertaken by hotels and restaurants / safety measures on flights including wearing masks
- 07/12/20 **Guests:** Mark Strassmann, CBS News national correspondent (1); Vice Admiral Jerome Adams, M.D., U.S. Surgeon General (2); Kate Gallego, Mayor of Phoenix, AZ (3); Terry Shaw, CEO, AdventHealth (4); Dr. Scott Gottlieb, former FDA Commissioner (5); Tom Wyatt, CEO, KinderCare (6); Anthony Salvanto, CBS News elections and surveys director (7)
- 1) a report from Atlanta on the record new coronavirus cases in southern and western states
  - 2) Topics include: increased availability of PPE and supplies for coronavirus treatment / his reversal on the efficacy of wearing masks / concerns over Black men wearing masks when encountering law enforcement / coronavirus spikes in southern states / Trump administration's attempt to balance reopening the economy and coronavirus mitigation / CDC's suggested measures for reopening schools
