PROGRAM	DATE	SUMMARY	EMPLOYMENT
NEWS	07/17/2023	A local UPS workers Union is holding a practice strike in Latham. Employees calling for better working conditions, like air conditioned trucks and better pay for part time workers. The UPS Teamsters contract expires July 31 st and if a deal is not reached by then, hundreds of thousands of UPS workers across the country are expected to go on strike in August.	
	07/19/2023	The Transportation Department at Shenendehowa Central School District is feeling strained due to staffing shortages and as a result, they have not been able to help out with town summer camps and field trips as they usually do.	
	07/21/2023	A major manufacturer is pulling out of the capital region. Paper goods company Etsity has ceased operations in South Glens Falls immediately. Its facilities in Greenwich and Saratoga Springs will be the next to go. In a statement, the company says this is no reflection on the skills of local employees. Ultimately 300 people will lose their jobs.	
	08/03/2023	The influx of asylum seekers arriving in the capital region is leading to growing concerns over how it could cause severe financial and staffing issues for local school districts this fall. According to New York City Mayor Eric Adams 93,000 asylum seekers have arrived in the Empire State since the spring of last year. State officials say that around 70 migrant children are in Schenectady County ahead of the upcoming school year and many state leaders are calling for aid to affected schools.	
	08/07/2023	School districts across the capital region are facing the ongoing teacher shortage problem. Local school officials say they're seeing fewer people applying for open positions and they're experiencing a shortage in mental health professionals in schools as well, another big concern.	
	08/17/2023	The New York State Park Police are looking for its new class of officers, looking for people who love the outdoors, are willing to serve the state and work outside of that typical 9 to 5 job. You must be at least 20 years old, but no older than 35, by June of 2024. Applications are due at the end of September.	
	09/13/2023	State Lawmakers are eyeing the creation of a New York only work visa for migrants. This is all in an attempt to help ease the asylum seeker crisis in New York City, but this move could conflict with existing federal immigration laws, that's because federal law requires migrants to wait roughly 180 days before they can even apply for work papers. The process can then take at least another two months to complete. At least four state lawmakers have floated this new proposal. Governor Kathy Hochul says a special legislative session is on the table.	
	09/18/2023	A new law, now in effect in New York State, requires companies to be more upfront about wages when you apply for a job. It's called the Pay Transparency Law. Moving forward, all employers with at least 4 employees, must include a salary or a salary range for all advertised jobs and promotions.

Country Living, an American lifestyle and home magazine, named Schenectady, Saratoga Springs and Lake George among the best small towns in New York for an idyllic getaway.

The article, published in June, lists 42 “small, charming towns (and picturesque villages, hamlets, and even some sweet cities)” throughout New York for readers to visit and find their “oasis.”

Schenectady tops the list at No. 1 with a complimentary mention of State Street.

“Schenectady boasts a bustling main street, complete with classic architecture and a well-preserved street clock,” wrote Rose Marie Walano.

Central Park was also highlighted.

“Perhaps its loveliest place for a stroll would be the Central Park Rose Garden, which features 4,000 rose bushes, a tiered fountain, and even a babbling brook,” the article said.

Saratoga Springs and Lake George also made the list, placing No. 23 and No. 26, respectively. Saratoga Springs was lauded for its architecture, natural springs, shopping and the Saratoga Race Course.

“Kentucky, eat your heart out!” the article said.

Lake George was also praised for its “endless” recreation options, including parasailing, hiking and horseback riding, as well as Prospect Mountain, Splashwater Kingdom and the town’s two forts — Fort William Henry and Fort Ticonderoga.

The rest of the list included, among others, towns and villages like Montauk on Long Island, Beacon, and Sleepy Hollow.

The Capital Region's first two Chick-fil-A restaurants will begin serving customers next week.

WYJB
8-4SAM
7/12/23

More than a year after Clifton Park approved plans to build the area's first Chick-fil-A, the wait is over. The restaurant is scheduled to open Thursday, July 20. Customers can also get their hands on the chain's signature chicken sandwiches and waffle fries at the North Greenbush location on the same day.

"I'm thrilled to finally open the doors of Chick-fil-A Clifton Park Center and welcome the community into our restaurant so they can experience firsthand Chick-fil-A's signature hospitality and delicious food," owner Scott Payne said. "I want to thank my entire team, as well as the community, for the continued excitement and for helping make this possible."

The restaurants, at 304 Clifton Park Center Road and 502 North Greenbush Road, will employ approximately 200 employees and be open for dine-in, drive-thru and takeout from 6:30 a.m. to 10 p.m. Monday through Saturday. The franchise is closed on Sundays.

Will Pots, the independent franchised owner of the North Greenbush restaurant, said he is grateful for the support of the local community leading up to its opening.

"I'm honored to have been selected to open and operate one of the first free-standing restaurants in the Capital Region and look forward to introducing the Chick-fil-A brand to the community, meeting our guests on opening day and building lasting connections with our neighbors," he said.

The Chick-fil-A at Albany International Airport has been open for several years, but it is behind the security checkpoint. It's unclear when the other restaurants planned for the Capital Region will open. Last month, the New Baltimore Service Area in Hannacroix reopened to travelers after a year of renovations, but missing in its lineup of new restaurants was the popular fast-food chain.

The Atlanta-based company also wants to debut another standalone location at 579 Troy-Schenectady Road, according to planning documents filed with the town of Colonie. But plans remain in the early stages due to traffic issues, said Sean Maguire, Colonie director of planning and economic development.

To celebrate the grand openings, Chick-fil-A is donating \$50,000 to Feeding America to support hunger relief efforts of the Regional Food Bank of Northeastern New York. The restaurants will also recognize 100 local heroes making an impact in the Clifton Park and Rensselaer areas by providing them with free Chick-fil-A for a year. The locations will also participate in the Chick-fil-A Shared Table Program that redirects surplus food to local soup kitchens, shelters, food banks and nonprofits.

Those interested in working at the Clifton Park or North Greenbush locations can learn about scholarship opportunities on the Chick-fil-A [website](#).

Subject: Fwd: Bspa Sunshine Kids to Raise Money for 7-Year with Brain Cancer

7/28/23

Hi Chad and Jackie,

A few local families put on an annual lemonade stand at Ribbon Cafe in Ballston Spa, this year to raise money for a **local little boy with brain cancer** on July 29th, would you guys be able to mention this during your show? I am not sure how that works for on air time, but we would love your support to get people to the event!

The local families and Ribbon Cafe are shutting down part of prospect street for the lemonade stand, but this year we are also hosting vendors, kids activities (Saratoga Children's Museum, Ballston Area Community Center with face painting, miniature donkeys, EMS and Fire vehicles and more), raffles and more. The media alert is attached and pasted below for your reference, if your publication could help us let the community know we would be so appreciative!

The little boy with brain cancer, Aiden, will be at the event this year too, so an opportunity to speak to the family in the hopes of raising more money for them will be available too.

Thank you so much for your consideration, and please let me know if you have any questions! I hope to hear back from you!

Local Families and Ribbon Café Team Up to Raise Money for Local seven-year-old with Brain Cancer

What: Together with local families, Ribbon Café will be putting on a Lemonade Stand, all proceeds benefiting local 7-year-old Aiden Rodriguez battling brain cancer.

The Ballston Spa Sunshine Kids are back, and this year they are shutting down part of Prospect street to host a variety of kids activities, vendors, music and more at their lemonade stand July 29th, all for a little boy who needs the community's help.

Aiden Rodriguez is a 7 year old little boy who was diagnosed on September 26, 2022 with grade 3 Choroid Plexus Carcinoma (CPC) and Li-Fraumeni Syndrome (LFS). CPC is a rare and aggressive

type of brain cancer. LFS is a rare germ line mutation of the P53 tumor suppressor gene. To date, Aiden has endured: 3 major brain surgeries, a port-a-cath placement surgery, 2 emergency exterior ventricular drain (EVD) surgeries, a procedure to harvest 20 million stem cells, 2 embolization procedures, a surgery to place two permanent brain shunts, 4 sessions of inpatient chemotherapy, and an emergency appendectomy. In addition, Aiden has suffered a stroke, and has received many blood, platelet, and coagulant transfusions. Aiden has spent countless days in the pediatric intensive care unit (PICU) and continues physical, occupational, and speech therapy on a weekly basis. Most recently, Aiden was enrolled into a clinical trial where he is subject 0; meaning he is the first and only patient in the trial. The trial consists of intra-arterial infusion of chemotherapy - which has never been done before for this type of brain cancer.

Aiden was under the care of Albany Medical Center's Department of Pediatric NeuroSurgery, Department of Pediatric Hematology and Oncology (The Melodie's Center for childhood cancers and blood disorders) and the Department of Pediatric Neurology. He is also under the care of the Department of Pediatric Hematology and Oncology at Golisano Children's Hospital in Rochester. As of May 2, 2023, Aiden is also under the care of the Department of Pediatric NeuroSurgery and the Department of Interventional Radiology at Weill Cornell and NY-Presbyterian/Columbia in NYC.

The family traveled back to NYC on June 12, 2023, where Aiden endured his 4th major brain surgery in an attempt to resect the remainder of the tumor. They were able to get all of the mass, but his struggle still continues.

After surgery, they traveled to Rochester where Aiden is undergoing high doses of chemotherapy to kill any remaining cancer/cells that may be left behind. During this treatment, Aiden's immune system will crash wherein they will transplant Aiden's own stem cells back in, bringing his immune system back up.

Normally, radiation would be used to treat this form of brain cancer however, LFS eliminates radiation as a form of treatment. The mutation exacerbates cancer and puts him at risk for various other forms of cancer. Because of this, stem cell transplants are our only other option.

Through everything, Aiden is happy, loves his brother, his papa, his granny, his aunts, his cousins, friends, and his mommy and daddy. He has missed countless days of school, loves his teachers, his bus driver and his bus aide. He is affectionate, silly, and bossy not to mention, fierce! He has given his all to fight this horrible disease and we are giving our all to fight with and for him as well as bringing awareness to others.

Aiden will be joining the events at lemonade stand, so come show your support for this strong little boy!

Who: Activities at the event will include Saratoga Children's Museum, appearances from miniature donkeys from Maple Rock Farm, baby goats, a DJ, vehicles from local fire departments and EMS stations, Ballston Area Community Center will be doing face painting, kids games, and more.

Vendors include Saratoga Animal Shelter, The Real McCoy, Play Hollow, Gateway House, Colorstreet Nails, Lions Club, Best Nutrition, Adirondack Rustics, HOPE, Ballston Spa Business Prof, Kayleigh Timpanaro, Friends of the Library, Abba Farms, and Osford Reality.

When:

Saturday, July 29TH, 1:00 p.m. – 4 p.m.

Where: Ribbon Café 11 Prospect St Ballston Spa, NY 12020

Take Two Cafe owner Chelsea Heilmann says she hopes the giveaway will get people to try vegan offerings for the first time.

SCHENECTADY — A plant-based salvo has been fired in the buy-local reaction to Chick-fil-A mania.

Take Two Cafe in Schenectady will be giving away 100 vegan chicken sandwiches beginning Monday morning. "No Clucks Given" sandwiches with vegan chicken and mozzarella served on a pretzel bun with truffle aioli and tomato will be available starting at 10 a.m. "The first 100 people will get one and there will be extras, too," said owner Chelsea Heilmann in a phone interview Sunday.

Jeff Buell, the principal of Redburn Development who put up \$1,500 to give away 100 chicken sandwiches at The Nest in Schenectady last week, is backing the effort.

This is the second fried chicken sandwich bequest Buell has made since two Chick-fil-A locations opened in the Capital Region on July 20, snarling traffic and attracting thousands to sample the Georgia-based fast-food chain's famous fried chicken sandwiches.

People lined up several hours before The Nest opened last Thursday to get their free sandwiches, and Heilmann hopes for the same -- as well as some converts to vegan offerings.

"I hope people who wouldn't normally try a vegan item would take the opportunity to try something new," she said.

Heilmann is Buell's tenant. Her vegan barcade Unbeetable, which has yet to open, is in a Redburn building on Clinton Street in Schenectady. x

FOR IMMEDIATE RELEASE

JULY 27, 2023

**ROCKIN FOR RONALD BENEFIT COMES TO SHEPARD
THURSDAY, AUGUST 3 THROUGH SATURDAY, AUGUST 5**

Seven great bands will perform next Thursday through Saturday at Shepard Park, Canada Street in Lake George, New York to benefit **Ronald McDonald House Charities**, especially **Krantz Cottage**. Krantz Cottage is a Ronald McDonald Family Retreat location. It is for families whose children are experiencing serious illnesses and can house up to 2 families at a time for stays as long as five days. Two bands will perform on Thursday and Friday and three on Saturday. Admission to all shows is free, and vendors will be on hand with beverages and food for sale. There is no better three-day lineup of incredibly talented bands and no greater cause than Ronald McDonald House Charities. The schedule is as follows:

Thursday, August 3	Friday, August 4	Saturday, August 5
6:00 – 7:10 Across the Pond	6:00-7:10 The Newells	4:00-5:40 The Schmooze
7:30 - 9:30 The Accents	7:30-9:30 Skeeter Creek	6:00-7:10 The Ultimates
9:30 Fireworks		7:30-9:30 Classic Rock Legends Live in Concert

Here is more information about each band:

Across the Pond has been performing the music of the Beatles in the Northeast since 2008, capturing the joy of the timeless music of the Fab Four.

The **Accents** are a high energy dance band that have entertained audiences across the Northeast and have been a staple in the Capital Region for many years. Featuring three vocalists that bring high-octane to the front line up along with a dynamic rhythm section and powerhouse horns. They cover all your favorites from Motown, dance, pop, classic rock and more. The Accents are one of the first groups to be inducted into the Capital Region Thomas Edison Music Hall of Fame and to be nominated for top dance band. They show why they've constantly been one the Capital Region top party bands with every performance. An amazing fireworks display will close the evening of great entertainment.

The **Newells** band is a family affair, including well-known keyboard/guitar player and vocalist Jonathan Newell, his wife Jennifer, their teenage sons Brandon and Evan and a great rhythm section. They cover your favorite music from the 60s-80s, including music by Led Zeppelin, Fleetwood Mac, Bruce Hornsby and 10,000 Maniacs.

Skeeter Creek has not only been the undisputed #1 country band in our region; they are arguably the number one band regardless of genre. In the Metroland readers poll, they won Country Band of the Year eight different years; were recognized by the Northeast Country Music Association in various categories, including vocal group of the year; won the Colgate Country Showdown in the Albany region, Froggy 100.7's Country Shootout multiple times; the Times Union's readers poll six times and was named the Best Local Band three times in the Daily Gazette readers poll.

The Schmooze has been one of the region's premier party bands for the past two decades. They will get the party rocking with their versions of rock, pop, dance and country hits that will have the crowd dancing and singing along.

The Ultimates are a fairly new band from Saratoga. They were outstanding at Friday at the Lake last year. Two of their members were in Bad Chaperones and one from Dealt the Blues. Singer/guitarist Travis Rockenstire is young and impressive, singing amazing covers from John Mellencamp to Ed Sheeran.

Classic Rock Legends Live in Concert was formed by Albany native Gary Weinlein. In his youth, Gary was a professional football player, playing briefly for the Giants and Bengals, although more of his career was with the Toronto Argonauts. He played for years locally for National Championship teams such as the Metro Maulers, culminating in his induction into the American Football Association Hall of Fame in Canton. The performance includes Gary as the Doors' Jim Morrison and recreates the music, the look and the energy of the British Invasion (Eric Clapton) and American rock legends (Linda Ronstadt, Stevie Nicks and Ann Wilson of Heart). Classic Rock Legends will bring the audience back to the greatest rock eras of all time.

Seven great acts, three great nights of music, all free to the public in support of a great cause: Ronald McDonald House Charities.

MENANDS, N.Y. (NEWS10) — On Monday, the Mohawk Hudson Humane Society issued an urgent plea for the local community to adopt and foster animals amidst a sheltering crisis. The humane society has 262 cats and 126 dogs under care, but the shelter only has 85 dog kennels.

Get the latest news, weather, sports and entertainment delivered right to your inbox!

“We need adopters. We need foster families. We are reducing fees to just \$50 to encourage people to adopt now. Many of our animals have been with us for a long time and are beloved by our staff and volunteers. Without adopters coming forward, we are going to have to make some heartbreaking decisions,” said CEO Ashley Jeffrey Bouck. “We’ve been talking about the lack of kennel space in our community and the need for more municipal support. We have a finite amount of space, and we cannot be the only solution.”

The MHHS is putting owner surrenders and intake of stray cats on hold until further notice. Adoption fees are now \$50 for all animals aged one and older. Adoption fees for animals under the age of 1 are \$100.

To meet available pets available for adoption, please visit <https://mohawkhumane.org/adopt/available>. Individuals interested in becoming foster volunteers can learn more here.

We will have a DJ, hotdogs, freeze pops and ice cream sandwiches for all those that attend today. This is the 2nd year since we built the new slide splash park that was donated by Scott Earl, owner of Twin Bridges and former resident of Watervliet. This year we had over 1700 passes issued and the pool was a go too place this summer for our city residents. The pool is located 1530 2nd Ave.

BALLSTON SPA, N.Y. (NEWS10) — The Village of Ballston Spa is holding its annual Family Fun Day on Sunday, August 20. Front Street will be filled with more than 10 bouncy houses, carnival games, crafts, and food.

Get the latest news, weather, sports and entertainment delivered right to your inbox! >

Quiet hours will be from 10 a.m. to noon for those with sensory sensitivities and the main event will be from 1 p.m. to 5 p.m. A free concert by The Refrigerators at Iron Spring Park will be at 6 p.m.

A prize booth will have school supplies available for students for the upcoming school year. Mayor Frank Rossi, Trustee Bernadette VanDeinse-Perez, and Planning Board Chair Rory O'Connor also volunteered to be in a dunk-tank booth.

“Ballston Spa so cherishes its children and families. Family Fun Day celebrates just that by providing a free opportunity to enjoy the day,” said Mayor Rossi. “Family vacations and days at the fair and amusement park are becoming more cost prohibitive; this is why an event like Family Fun Day is important to communities like ours. We hope to see everyone there.”

Food options between \$1 and \$3 will be available from some local restaurants. Free parking will be available at the Saratoga County Parking Lot on West High Street or on the surrounding streets.

ALBANY, N.Y. (NEWS10) -The upcoming holiday season looking to be not so bright for a second year. The Albany Police Athletic League (PAL) pushing the date back of their Capital Holiday Lights Extravaganza to 2024.

Capital Region families enjoyed PAL's Capital Holiday Lights in Albany's Washington Park for decades. But the tradition that started in 1997 turned into a nightmare before Christmas in its last few years. People who lived around the park complained about the increased traffic and safety concerns.

Executive Director of PAL, Leonard Ricchiuti, and his team settled on the Altamont Fair for their new location. The area needs more work to be a winter wonderland. "We had to settle on a route. What is the infrastructure on the route? Have to try to heat buildings that have never been heated before."

If by a Christmas miracle the show was on, there would not have been anything under the trees, as sponsors and vendors needed to plan ahead. "Most of them have already committed to other shows or they just logistically can't produce enough product now at this point," explained Ricchiuti.

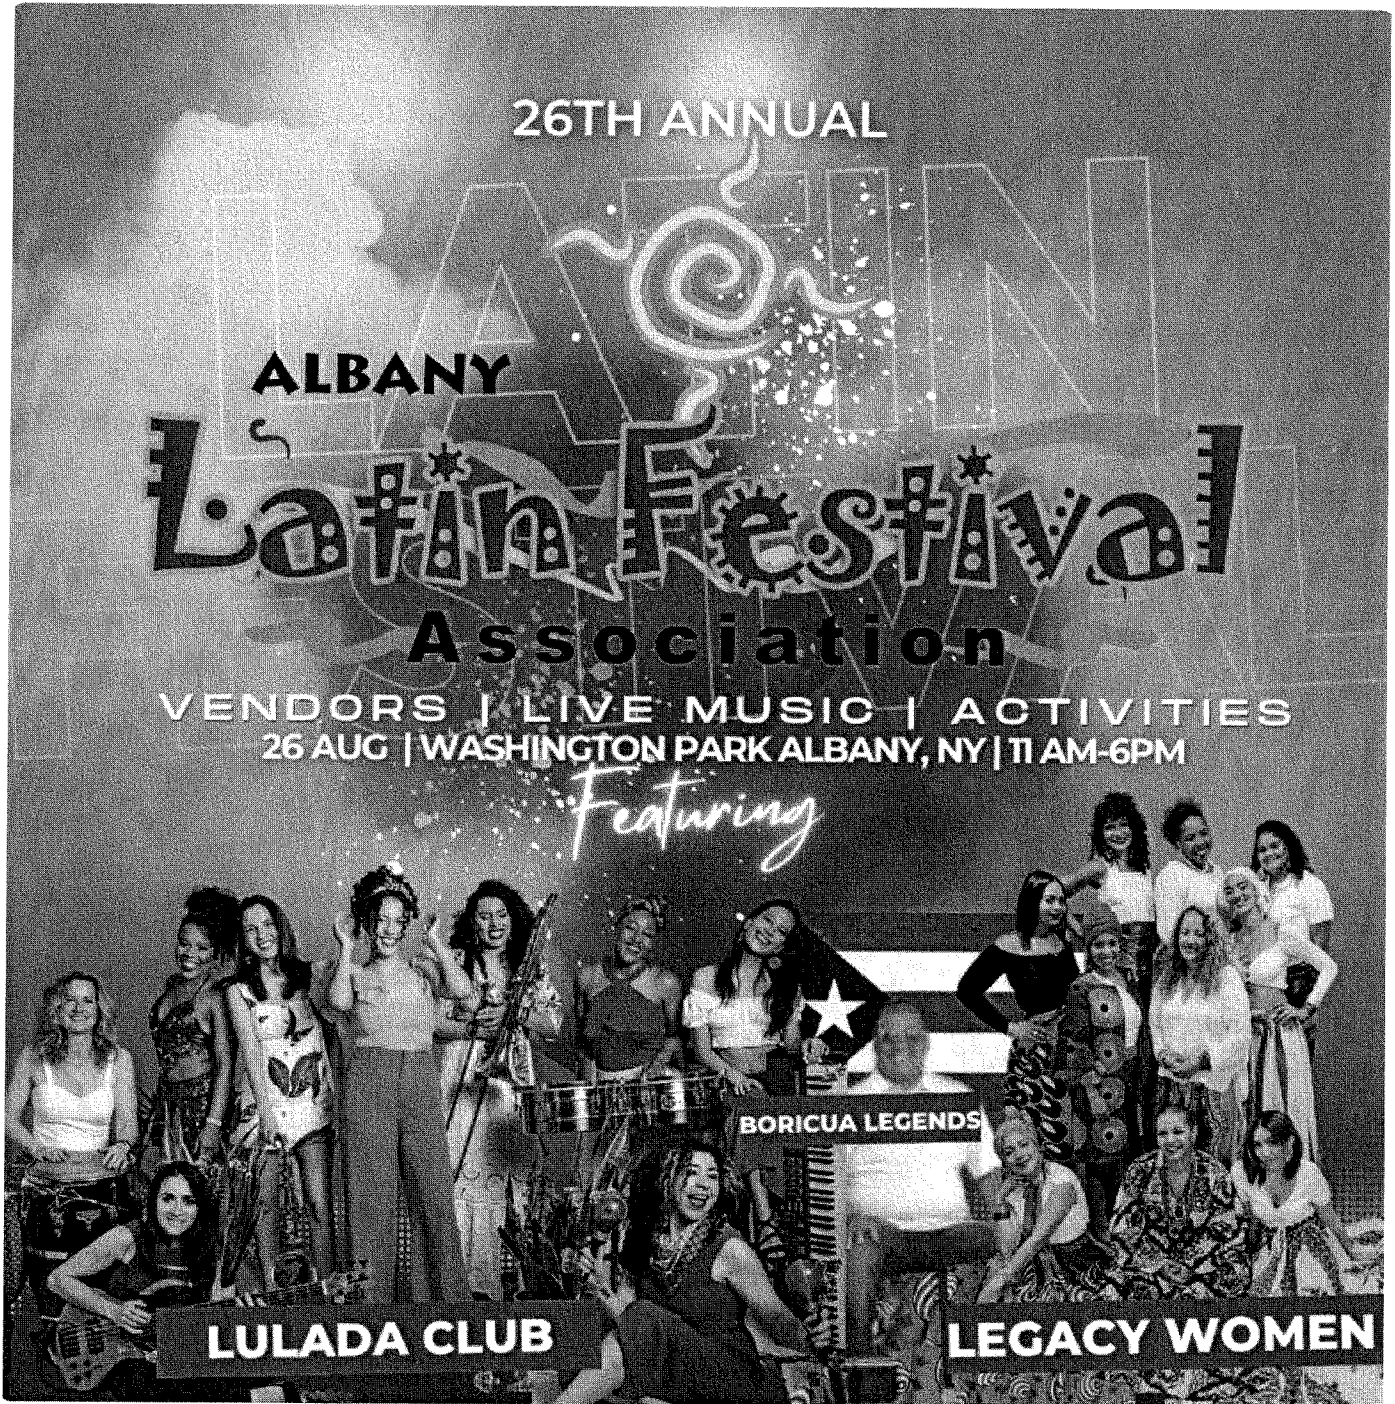

The police athletic league relies on funds raised from the holiday light show to provide services for Capital Region kids. This includes after school programming and summer camps. But lights out on this year's festivities does not mean all hope is lost for PAL's programs. "Last year our partners came to our aid. Helped us sustain through last year with no show. We're hoping that folks in the Capital Region are reminded of the work that we do," described Ricchiuti.

10A-5PM SUNDAY

Welcome to the 45th annual Carrot Festival!

I invite you to come to spend an hour or spend the day with us as we celebrate "Healthy Living in our Community."

Plenty of activities will be available to entertain kids of all ages, including pony rides and a touch-a-truck (and more) area. Vendors and crafters will be indoors and outdoors selling their wares. Farm-fresh produce from the Carrot Barn will be available at the Rose and Paul Westheimer Produce Tent, just as it has every year since the very first festival! Many non-profit organizations will be on-hand in the Stephen Schechter Community Service Tent with information about all of the great services they provide. Part of that includes our partnership with CDTA, who will be providing a bus for us to stuff with much-needed supplies for Street Soldiers and Schenectady City Schools' middle schools (list provided below). We also have a full line-up of live entertainment scheduled throughout the day at the Phil Rubins Stage.

Please join me in thanking our sponsors who have supported us year after year: Ellis Medicine, Key Bank, Merrill Lynch, Price Chopper/Market 32, and Trustco Bank. I also thank Stewart's Shops, who awarded us a Holiday Match grant for the first time. As you consider your healthy food choices, remember there ARE carrots in carrot cake! I look forward to seeing you on September 10th !

Entertainment:

Maria Zemantauski

Locally based, Maria is a master Flamenco guitarist and fusion composer whose concerts range far & wide across styles & continents. “A musician with breath-taking technique-and not at the expense of soul. She holds her formidable technical skill in check with her emotional, passionate performances. Each song conveys a small story without one word. Her love of her guitar and music was only surpassed by her obvious love of the audience.” — *David Malachowski, guitarist/writer*

3 Minute Pop!

The Capital Region’s best-kept “pop secret,” plays sweet power pop, dripping with jangly guitar, driving beats, and shimmering three-part harmonies. Not descriptive enough for you? – Think Matthew Sweet, Goo Goo Dolls, Barenaked Ladies, and Jimmy Eat World. Think Teenage Fanclub, Big Star, and The Byrds. Think The Cure, Squeeze, The Pixies, INXS, and Elvis Costello & The Attractions.

Get The Knack? I mean...the point? *“We don’t write all the songs, we just make `em POP!”*

Three Minute Pop! plays the coolest power pop, pounding out some of the purest power pop hits and deeper cuts from the `70s, `80s, `90s, and today – songs that people know, but just don’t know the names of. We’re talking tunes like “A Million Miles Away” by The Plimsouls and “One More Time” by Joe Jackson – pure power pop that’s too good to get played on commercial radio and that too few bands play live – save for Three Minute Pop!

It's fun to watch fans' faces light up when Three Minute Pop! kicks into The La's "There She Goes" or Tal Bachman's "She's So High," one-hit wonders that always get fans shouting, dancing, and singing along."

Annie and the Hedonists

Winners of the 2020 Eddies Blues Artist of the Year, the band is comprised of guitar, clarinet, upright bass, piano, and lots of tight harmonies to build a rich sound with Annie's terrific lead singing. Their concerts cover an eclectic mix of acoustic blues, vintage jazz and swing, and Beatles tunes. Their music is roots music at its best!

The Secret (led by Azaam Hameed)

This is version 2 of last year's group that so many people loved. Azaam Hameed's musical style on the piano incorporates a tasteful blend of Jazz, Rhythm & Blues, and Gospel; with colorful accents of Latin and Brazilian overtones. Vocally, his singing style has frequently been compared with the rich baritone voice of Lou Rawls. He'll be bringing a band made up of some of Albany's best session musicians, including bass player Ben Odom who led last year's version of "The Secret."

SIRSY

The Boston Globe describes this locally-based national touring wife & husband team as "A little band with a big sound". SIRSY is fronted by charismatic vocalist/ drummer Melanie Krahmer who has "one of the most powerful and flexible voices you'll ever hear." (-Times Union) The other half of the team is Mel's husband, Rich Libutti who plays a road-worn and well-loved Rickenbacker guitar through a pedal board full of vintage effects. Live, Rich also plays bass on a pedalboard with his feet. So, these multi-instrumentalists manage to sound

like a full band, despite there being just two of them. The love & joy they have for what they do is absolutely contagious. It'll be a hot set, no matter what the weather is!

SLOC

The Schenectady Light Opera Company is a non-profit community-based performing arts center whose mission is to provide opportunities for adults and youth to experience and participate in the performing arts. Don't miss SLOC's upcoming season, opening in September with "Once," followed by about one show a month through May. 2023 is the 97th season.

Children at the Well – Youth storytellers from many different traditions work to increase community capacity for intercultural understanding and create diverse connections while growing compassionate leaders through the ancient art of storytelling.
