3.) Throughout the weekdays Public Service Announcements are read. These are provided free of charge to local churches, and other charitable/non-profit organizations. Winter Weather related closings are also read free of charge in a timely manner. We also will read lost pet announcements for free.

4.) Your Safe Money Show is a financial show aimed at education but also discussing current news and trends that can affect you and your finances. The "safe money" piece targets those age 50 and older that are planning for retirement and need to keep their nest egg safe so they'll have income all the way through their retirement.
