Re: Retransmission Consent Election

Dear Mr. Vargas:

TTBG Fresno OpCo LLC., licensee of television station KMPH-TV, channel 26, hereby provides written notice, pursuant to Section 76.64 of the Rules and Regulations of the Federal Communications Commission ("FCC"), that it elects retransmission consent on all of the cable systems you operate in the Fresno, CA Designated Market Area, including North Fork, and all communities served by that headend, for the period beginning on January 1, 2012 and ending on December 31, 2014.

Please contact me at (402) 554-2637 or [ktreece@kptm.com](mailto:ktreece@kptm.com) so that we may begin discussing the terms of the retransmission consent agreement. I look forward to working with you to continue our ongoing, successful relationship.
