Re: Retransmission Consent Election

Dear Sir or Madam:

Once again I want to thank you for your cooperation in coming to terms for the Retransmission Consent Agreement between DirecTV, Inc. and TTBG, LLC for the carriage of KMPH-TV, Channel 26. Even though we already have that Retransmission Consent Agreement in place, the FCC requires that we make an official "election" for carriage of said station in writing, and send you the election notice. This election in no way affects or alters our agreement; it is simply in order to fulfill our responsibility to the FCC.

Therefore, pursuant to Section 76.64 of the rules and regulations of the Federal Communications Commission, this letter shall serve as written notification that TTBG Fresno OpCo, LLC, licensee of television station KMPH-TV, channel 26, serving the Fresno-Visalia, CA DMA, is electing retransmission consent for our station's signal. This election shall apply to all communities where DirecTV operates in this DMA for the period beginning January 1, 2012 and ending on December 31, 2014.

Once again, this letter does not affect our already existing Retransmission Consent Agreement and you do not need to take any action. If you have any questions regarding the above, please feel free to contact me at (402) 554-4237 or email me at [ktreece@kptm.com](mailto:ktreece@kptm.com).

Sincerely,

Kara Treece
