Re: Programs/Issues File

Please find attached the list of programs we aired that apply to our Quarterly Programs & Issues list for the period of July 1<sup>st</sup>, 2023 through September 30<sup>th</sup>, 2023.

All these programs and events were of local significance and were used to help fulfill our obligations of servicing the community. This is only an example of programs aired on KNEM/KNMO Radio and should not be considered as all the programs aired during the applicable period.

# QUARTERLY ISSUES/PROGRAMS LIST

There follows a listing of some of the significant issues to by Station July 1, 2023 through July 31, 2023

**KNEM-AM/KNMO-FM**, Along with significant programming treatment of those issues for the period July 1, 2023 through July 31, 2023. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Vernon County Historical Society	"Update"	07/03/23	1:05 PM	15 Min.	Will Tolleran was on the program to represent the Vernon County Historical Society. He talked about the upcoming programs the organization will be hosting in the next few months. The Vernon Co. Historical Society is tasked with preserving the history of the area and brings in programs quarterly that help explain the history of the area in and around Vernon County.
VCYF/G.R.O.W. Program	"Update"	07/10/23	1:05 PM	15 Min.	Vernon County Youth Fair Board Vice-President, Justin Ogle was on the program to detail events for the upcoming Vernon Co. Youth Fair known to be one of the largest free youth fairs in the state. Also on the program was Carol Parmenter who talked about the G.R.O.W. program which is centered around youth who are not involved in the livestock portion of the fair.
Dover Township Audit	"Update"	07/17/23	1:05 PM	15 Min.	Missouri State Auditor, Scott Fitzpatrick, was on the program to discuss an upcoming audit of Dover Township in Vernon County. The audit was brought about by a citizen led petition. Mr. Fitzpatrick outlined the process and how individuals could contact them if they have relevant information. The State Auditor also took time to discuss where they are in a regular audit of Vernon County.
On My Own, Inc.	"Update"	07/18/23	1:05 PM	15 Min.	On My Own's Jennifer Gundy and Kalli Guber joined us on the program to talk about the anniversary of the Americans With Disabilities Act and a celebration they will be holding to mark the event on July 28th. Gundy also talked about an upcoming fundraiser for OMO known as Buckles, Barrels & BBQ that will be held in August in Carthage, MO. That event raises funds for them to continue their work in assisting those with disabilities live on their own.
Hume Fair	"Update"	07/24/23	1:05 PM	15 Min.	Karen Irwin was on the program to talk about the upcoming Hume Fair & Rodeo. Even though the city of Hume has only around 200 in population, it's regarded as one of the more popular annual events during the summer. Karen went through the importance of the event to the Bates County community and the list of events planned for the multi-day celebration in early August.
Walton Park Aquatic Center	"City Beat"	07/26/23	1:05 PM	15 Min.	Nevada Parks & Recreation Director, Richard Brockman, was on the bi-weekly program to talk about a community open house directed at public input for what they want to have in the Aquatics Center which has been closed for two years due to leaking issues. Online surveys have been done and a lot of public input that will be taken soon to the Nevada City Council for the next step.
Community Foundation of the Ozarks	"Update"	07/31/23	1:05 PM	15 Min.	Nevada/Vernon County Community Foundation President, Greg Hoffman, was on the program to talk about this appointment to the Board of Directors for the Community Foundation of the Ozarks. CFO oversees over 50 regional affiliate foundations including the NVCCF. Hoffman talked about the opportunity the appointment brings him and the mission. He also talked about current projects the NVCCF is involved with.

Description	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Missouri 811	"Update"	08/07/23	1:05 PM	15 Min.	Missouri 811 Executive Director, Randy Norden, joined us on the program to discuss and remind residents that it's important to call that number (or go online) to get utilities marked before any digging or excavating is one. He reminded people that there can be physical and financial costs to hitting a line or wire underground that disrupts services. He directed people to where they can get more information and how it works.
CCPA	"Update"	08/08/23	1:05 PM	15 Min.	Carter Blight and Camryn Warner, from the cast of Mary Poppins, Jr. were on the program to talk about their upcoming production at the Fox Playhouse in Nevada, MO. It's a kids only production and they talked about preparations for the show and what audiences could expect. They also talked about their own individual characters and what they were gaining from taking part in the production.
City of Nevada, MO Issues	"City Beat"	08/09/23	1:05 PM	15 Min.	Nevada City Manager Mark Mitchell joined us on the program to talk about the ongoing cleanup efforts after damage was caused by severe weather. He again informed residents as to how downed trees and limbs could be taken away by city workers or taken themselves to the city compost site. He also talked about the upcoming Adams Street project and the impact that would have on citizens.
Historic Jefferson Highway	"Update"	08/14/23	1:05 PM	15 Min.	We were joined by Carol Branham and Doug Harper who were on the program to discuss events held recently to commemorate the Historic Jefferson Highway that used to major thoroughfare through Nevada before 71 Highway (now I-49) came about that went on the east side of the city. They talked about some of the historic spots and plans for an event next year.
Cotley College	"Update"	08/21/23	1:05 PM	15 Min.	With the new academic year getting underway, Cotley College President Dr. Stephanie Niles joined us to talk about the new school year. Now in her second year, she talked about how it's an easier ramp up than when she arrived a year ago. Dr. Niles talked about some of the new things on campus as well as events the public can take advantage of as well as the community oriented focus.
Back To Work Hiring Event	"Update"	08/22/23	1:05 PM	15 Min.	Megan Hendrix, representing the Missouri Job Center in Nevada, was on the program to talk about their "Back To Work Hiring Event" to be held August 24th in Nevada. Megan talked about the need for the event and that many area employers are still in the hiring mode. She talked about the range of employers that would be present and that interviews could be possible so those attending should be prepared.
City of Nevada, MO Issues	"City Beat"	08/23/23	1:05 PM	15 Min.	Nevada City Manager Mark Mitchell was back on the program to talk about a number of issues for the city. He talked about upcoming road work that would impact travel in the city, the construction start for the new Nevada Animal Shelter and the Adams Street street project that would begin after Labor Day.
Nevada Tourism	"Update"	08/28/23	1:05 PM	15 Min.	Nevada/Vernon County Chamber of Commerce Executive Director Jessica Sloniker was on the program discussing the Nevada Tourism Committee. She talked about the purpose of the committee and those who make it up. She also talked about a fundraising co-ed softball tournament to be held in Nevada on 9/9 and how teams could enter.

Description	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Schell City Fall Festival	"Update"	09/05/23	1:05 PM	15 Min.	Heather Haddix and Tisha Bailey were our guests on the program to talk about the upcoming Schell City Fall Festival as the community celebrates its 152nd year. They talked about the attraction of the event, the influx of visitors who otherwise might not come to the rural community and what it means to the community. They also detailed the events for the two day schedule Sept 8-9, 2023.
Nevada City Council	"Update"	09/06/23	1:05 PM	15 Min.	One of the newest Nevada City Council members, Carol Branham, joined us to discuss her first months on the Council since being elected in April. She talked about the realities in relation to expectations. Carol also discussed items brought up at the most recent session including a presentation by a potential independent living facility and other items brought to their attention.
Walker Fun Days	"Update"	09/11/23	1:05 PM	15 Min.	Walker Fun Days representatives, Jenise Burch and Raye Swopes, joined us to talk about the two day event coming up Friday, Sept. 15th and Sat. Sept. 16th. They reviewed all the activities planned for the two day celebration including an outline of new events being held this year including a talent show, lawnmower games and the return of the royalty pageant.
On My Own, Inc.	"Update"	09/12/23	1:05 PM	15 Min.	On My Own, Inc. is hosting an employee education event Thursday, Sept. 14th. Kalli Gober was on the program to discuss what attendees will learn including how to work and still keep disability benefits. They have speakers lined up for the seminar. She also talked about a caregiver/parent support kickoff event they have planned for Tues. Sept. 19th that is a great networking tool for those who attend.
The "Big Serve"	"Update"	09/18/23	1:05 PM	15 Min.	"The Big Serve" organizer, Lynda Jones, was on the program to talk about the annual event that centers on volunteers serving the community in a variety of ways. This usually entails lawn care, painting, simple house repairs, debris removal, etc. for those who are unable to take care of these things themselves. Lynda discussed out individuals and organizations could register and help out for the annual event.
Nevada Planning Commission	"City Beat"	09/20/23	1:05 PM	15 Min.	The chairman of the Nevada Planning Commission, Sim Miller, was on the program to discuss a variety of topics. He first outlined the responsibilities of the Planning Commission. He also focused on a citizen survey their looking to have completed in regards to trash service. Nevada has several companies that serve the community and there are concerns about damage the big trucks could be doing to city streets. He asked that citizens take part in that survey as they look to make recommendations.
Bronaugh Fall Festival	"Update"	09/25/23	1:05 PM	15 Min.	Bronaugh Fall Festival Committee member, Amanda Million, joined us on the program to discuss the upcoming Bronaugh Fall Festival. She talked about the history of the event for the small SW Vernon Co. community as well as the slate of events for the full one day celebration. It's an event that brings visitors from around the area to Bronaugh to enjoy the festivities.
