

Issues & Programs for the 3rd Quarter of 2023.

WDOR AM & FM program, "Today's Talkshow," is simulcast from 10:20AM to 11AM, Monday through Friday. There are regular guests each month plus occasional guests for special events. The audience is invited to call in with questions or comments which are broadcast live. Callers do not have to identify themselves.

Regular monthly guests for each of the three months included the Door County Historical Society, the Ridges Sanctuary, State Trooper Logan Christel, the Door County YMCA, and others.

There were a variety of guests for special events including the Sevastopol School Centennial Celebration, the Door County Bookmobile Restoration, & the Valmy Threshere.

When there is no guest the show is an "Open Line," where callers are invited to call in with questions or comments. We had 4 open lines in the three month period.

A monthly guest list for the quarter is attached.

At 11:20AM Monday through Friday we have a program called "Partyline" where guests often appear to promote special events. The guests on Partyline are usually featured for 10-15 minutes.

The Door County Humane Society continues to appear on the Partyline on Tuesday of each week. We also had visits from Door-Tran, Destination Sturgeon Bay, the Holy Name of Mary Church Picnic, Algoma Shanty Days, Death's Door BBQ, and others.

WDOR AM & FM provides 6 local newscasts a day, as well as covering local high school sporting events regularly.
