Blood Donation	Florida Roundtable	Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes	Susan Forbes: Communications Director for OneBlood	September 27, 2020 7AM	60 minutes
		W/Forbes: Susan discusses how her organization is working to collect blood and plasma donations. She explains how they are looking for plasma donations from those who have already had the virus because some doctors are now using that plasma as a treatment for COVID-19. She explains how a plasma donation works and why it is safe. She also talks about what information someone needs to provide before they donate plasma.			
		minutes W/Forbes: Susan discusses how many of the blood drives around the country have been cancelled because of the pandemic and how that made some concerned of a possible blood shortage. She talks about current blood drives going on and how you can find out where to donate blood. She also explains how they keep donators safe during the procedure from catching or spreading the virus.			
		W/Forbes: Susan discusses how your business or organization can become a partner with OneBlood to help put together a blood drive. She also talks about why blood donations are important any time, even when there is not a pandemic. Susan also encourages people to make it a habit to donate blood because it can be rewarding to know you are helping those in need.
