---------------------------------------	----------------------------------	---	--	-----------------------------------	--------------------------

<p>coronavirus information and Politics</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Dr. Hendershott: She gives her background as a professor of sociology. She then discusses how there is new science that suggest the dose of the coronavirus can affect how sick someone can get from the virus. She gives evidence that the viral load is key to understanding who gets sicker from COVID-19. This is why doctors are getting sicker from the virus than others. She also talks about how the demographics also play a role in who is more affected by the virus. 30 minutes</p> <p>W/ Martin: Jenny discusses how she became involved the Tea Party Patriots. She then discusses how certain government leaders are using the coronavirus to infringe on civil liberties. She understands there needs to be precautions, she believes they are going too far in their crackdowns of churches and other freedoms. 10 minutes</p> <p>W/ Martin: Jenny discusses how we could reopen the economy while still containing the virus. She also talks about why it is important to reopen the economy now. She also talks about how the media has been unfair against Trump and his response to the virus. 10 minutes</p>	<p>Dr. Anne Hendershott : professor of sociology at Franciscan University.</p> <p>Jenny Martin: Organizer for Tea Party Patriots</p>	<p>April 19, 2020, 7AM</p>	<p>60 minutes</p>
--	----------------------------------	--	--	-----------------------------------	--------------------------

<p>coronavirus information</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Dr. Kronhaus: He gives his background as a Doctor of Cardiology and as a researcher of the latest medical news and breakthroughs. He then talks about some of the possible treatments for the coronavirus and how the urgency of the problem creates some problems in finding those treatments. He also talks about why the country was taken off guard by the quick spread of this virus because of China’s failure to warn the world. He then discusses why this virus is so contagious and infectious and mentions why certain people are more affected than others by the virus. 30 minutes</p> <p>W/Dr. Kronhaus: He continues to talk about some of the possible treatments for the virus including the latest information on hydroxychloroquine. He goes over the latest evidence from recent studies on how the medicine could help treat the virus. 10 minutes</p> <p>W/Dr. Kronhaus: He discusses the latest with the antibody tests which tells doctors who have natural immunity to the virus. He believes this is key to opening the economy. He also talks about how long it would take to get a vaccine to the public. 10 minutes</p>	<p>Dr. Ken Kronhaus: Cardiologist at Lake Cardiology</p>	<p>April 26, 2020, 7AM</p>	<p>60 minutes</p>
---------------------------------------	----------------------------------	---	---	-----------------------------------	--------------------------

<p>coronavirus information and effects on the economy</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/ Dr. Sinatra: He gives his background in medicine and cardiology. He discusses the latest we are learning about the virus, how it is more infectious but less lethal than originally thought. He also talks about why some people are getting very sick from the virus. He then gives some important information on how people can boost their immune health which will help your body fight against viruses like coronavirus. He talks about how diet, vitamins, and exercise are key to boosting your immune health. 30 minutes</p> <p>W/ Staton: He gives his background in the hotel industry and what he currently does with AAHA. He then discusses how the pandemic has really hurt the hotel industry, giving the latest stats on vacancy in most hotels. He then discusses how many hotel owners are trying to get the small business loans and the problems they have had with the process. 10 minutes</p> <p>W/ Staton: He discusses how the PPP loans have helped some hotels, but there needs to be more done to help the industry. He also talks about how the economic recovery from this virus will take much longer than originally thought. He also believes Congress needs to keep funding this program to help businesses stay alive during the recovery process. He then talks about steps hotels are taking to help prevent the spread of the virus in the future. 10 minutes</p>	<p>Dr. Stephen Sinatra: Cardiologist and immune health specialist</p> <p>Cecil Staton: President of the Asian America Hotel Association</p>	<p>May 3, 2020, 7AM</p>	<p>60 minutes</p>
---	----------------------------------	--	---	--------------------------------	--------------------------

<p>coronavirus and China</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Carafano: Talks about why China is a concern and threat to the rest of the world as it rises as a global power. He discusses that the facts point to China being responsible for triggering the coronavirus pandemic. Believes they hid the real threat of the virus from the rest of the world. Also believes that our over-reliance on Chinese imports is a threat to US national security. 30 minutes</p> <p>W/Carafano: Discusses some long-term solutions to decrease our reliance on Chinese imports. Says the US needs to do a real investigation into China’s pandemic response. Also says that businesses in the US need to think twice about doing business in China. Also thinks our government needs to promote policies that encourage doing more business in the US. 10 minutes</p> <p>W/Dr. Osborne: She gives her background as a veterinarian. She then discusses how your pets might be affected by people staying at home more because of the pandemic. She also gives the latest information on whether your pets and catch and spread the virus to others. 10 minutes</p>	<p>James Carafano: Foreign Policy expert from the Heritage Foundation</p> <p>Dr. Carol Osborne: Veterinarian</p>	<p>May 10, 2020, 7AM</p>	<p>60 minutes</p>
-------------------------------------	----------------------------------	---	--	---------------------------------	--------------------------

<p>coronavirus, shutdowns and mental illness</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Welch: Discusses his background in mental health and what his organization does to help those in the community with mental health issues. Talks about why they are getting more calls during the pandemic shutdowns from those who struggle with mental health issues. Also talks about why the shutdowns can negatively affect those with mental health issues, says the lack of social interaction causes problems with certain mental disorders. He also discusses how reopening can also be a problem for some after they've been shut in for so long. 30 minutes</p> <p>W/ Phillips: Talks about safe boating awareness and the steps you need to take before getting on a boat. Also discusses how the coronavirus pandemic affects those who want to go out on a boat. Talks about how safe boating practices can change depending on where you are taking a boat and the time of year you decide to take a boat out on the water. Goes over the statistics of boating accidents in recent years. 10 minutes</p> <p>W/Rehwinkel: Discusses locally what the FWC is doing to get the word out about safe boating. Talks about why it is so important to wear a life jacket. Also talks about how the coronavirus pandemic is affecting boating in Florida. Plus, he discusses what you need to look out for to keep safe while boating specifically in Florida. 10 minutes</p>	<p>Eric Welch: Executive Director of National Alliance on Mental Illness of Greater Orlando</p> <p>Peg Phillips, Executive Director National Safe Boating Council</p> <p>Brian Rehwinkel, FWC Boating and Waterways Outreach and Education Coordinator</p>	<p>May 17, 2020, 7AM</p>	<p>60 minutes</p>
--	----------------------------------	---	---	---------------------------------	--------------------------

<p>Florida Environmental Policy</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Lindquist: Gives his background and how he got involved with the American Conservation Coalition. He also discusses what the organization does to help the environment. He then talks about the environmental threats to Florida and the people in the state in the future. He talks about some free market solutions to solving environmental issues in the state. It involves new technologies, spending on new infrastructure, and govt policy. He also discusses why many young conservatives are involved in environmental issues. 30 minutes</p> <p>W/Lindquist: He discusses why the Green New Deal is not a good solution to climate change and environmental issues. Thinks it gives the government too much control and infringes on private innovation. He thinks that the energy sector is leading the way in some private innovation to help lower CO2 emissions. Also talks about the importance of new flood infrastructure and new sea walls. 10 minutes</p> <p>W/Lindquist: He discusses why it is important to preserve and restore the natural habitats in the state of Florida including the Everglades. He talks about how some of the natural habitat has been abused in the state. Talks about what citizens can do to get involved and help protect Florida's environment. 10 minutes</p>	<p>Nick Lindquist: National Policy Director of the American Conservation Coalition</p>	<p>May 24, 2020, 7AM</p>	<p>60 minutes</p>
--	----------------------------------	--	---	---------------------------------	--------------------------

<p>oronavirus and the economy</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Gibbons: Gives his background in business and Wall Street. Then talks about how Hertz Rent-a-car was already struggling but was really hurt during the shutdowns and now must file for bankruptcy. Believes that other big companies will have to do the same because of the pandemic. Also says the companies like Uber also hurt car rentals. Also discusses how everything in Florida's economy is related to the health of Disney World. 30 minutes</p> <p>W/Gibbons: Discusses how the economy was doing right before the pandemic and how the shutdowns as a result of the pandemic really affected the economy. Believes that department stores in this country are mostly finished, not only because of the pandemic but the changing consumer tastes. The talks about how malls will have to transform to survive in the near future. Also says it will take 2 years for the economy to recover from the pandemic. 10 minutes</p> <p>W/Gibbons: Discusses how business can survive the pandemic and what they will need to do when the economy comes back. Also believes that small businesses have a unique advantage because they can adapt. Believes this is an opportunity for some businesses to change for the better. 10 minutes</p>	<p>Karl Gibbons: President of Third Eye Management .</p>	<p>May 31, 2020, 7AM</p>	<p>60 minutes</p>
--	----------------------------------	---	---	---------------------------------	--------------------------

<p>SpaceX and the Future of Space Travel</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Salim: Gives her background and what inspired her to work with Virgin Galactic and why she loves things related to space travel. She believes the future is bright for space travel and space tourism. She gives her take on SpaceX leading the way in the new space age and private companies sending people to space. She talks about why it is a good thing private companies are getting involved in space travel. Also discusses some of the new technology of space travel including what Virgin Galactic is building for the future. Then she talks about what would be involved in sub-orbital space flight. 30 minutes</p> <p>W/Salim: She explains why some believe that human beings will one day become an interplanetary species. She discusses some of the new technology that will help us accomplish going to other planets. Also says that NASA will continue to play a role in space travel but will continue to partner with private companies. She also talks about how she would like to travel to space in the future. 10 minutes</p> <p>W/Salim: Talks about events that will eventually be help in space that will promote the future of space travel. She also says that Virgin will start sub-orbital flights this year. She then gives her opinion the new Space Force branch of the military. She thinks there is a lot of misinterpretation on what they want to accomplish. 10 minutes</p>	<p>Namira Salim: Founder Astronaut of Sir Richard Branson's Virgin Galactic</p>	<p>June 7, 2020, 7AM</p>	<p>60 minutes</p>
---	----------------------------------	---	--	---------------------------------	--------------------------

<p>gal Analysis and Racial Issues</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Stimson: Gives his background as a homicide prosecutor and state attorney. He then discusses why the prosecutors in the Derek Chauvin case decided on the charge of third-degree murder and what that means. Gives his opinion on how it is a different process to charge and arrest a police officer as opposed to a regular civilian. He also talks about why the cell phone video will help the prosecutors to make their case and why this is an example for all officers to wear body cameras. 30 minutes</p> <p>W/Stimson: He talks about why cops wearing body cameras are good for the officers because it can protect them from false accusations. He discusses why the other officers involved in the case are also being charged and what they are being charged with. He then talks about why he did not see systemic racism in the justice system, saying there could be problems, but they are mostly by individuals in local systems. 10 minutes</p> <p>W/Lieberman: Gives her background as a psychologist. Then she gives her opinion on why distrust in the police is growing in America. She also talks about how police could suffer from PTSD because of the dangerous stuff they see on a daily basis. She talks about how this can affect what police do in certain situations. She also talks about how we can heal the divides between people and police in this country. 10 minutes</p>	<p>Cully Stimson: Former Homicide Prosecutor</p> <p>Carole Lieberman: Psychologist</p>	<p>June 14, 2020, 7AM</p>	<p>60 minutes</p>
---	-------------------------------	--	--	-------------------------------	-------------------

<p>coronavirus information and PTSD awareness</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Pitts: He gives his background in the FDA and what he now does through his organization the Center for Medicine in the Public Interest. He then explains why we have seen a rise in cases of coronavirus in Florida and the rest of the country. He says it is in part because of more testing, but also because of reopening the economy. He also talks about how treatments in the hospital are getting much better and saving lives. He then discusses the potential for creating a vaccine soon and discusses how plasma treatments are showing good results. 30 minutes</p> <p>W/Pitts: He talks about the process in creating a vaccine and why it takes several months or even years to get one to market. Also discusses who would get vaccinated and why it is important that as many people as possible get vaccinated. Also talks about how we can continue to slow the spread of the virus which includes masks, social distancing, more testing, contact tracing, and better treatments. 10 minutes</p> <p>W/Laskoski: He discusses what his organization does to help veterans with PTSD. They help train service dogs which help dogs know who to help those with PTSD but also helps the veterans manage their own symptoms. He also talks about the screening process for the dogs so only the best dogs are used in the process by the organization. Also talks about how people can help the organization and how vets with PTSD can get involved in the service dog training program. Then he highlights the virtual town hall that is coming up on PTSD awareness day. 10 minutes</p>	<p>Peter Pitts: Former FDA Associate Commissioner</p> <p>Gregg Laskoski – Communications Director for K9 Partners For Patriots</p>	<p>June 21, 2020, 7AM</p>	<p>60 minutes</p>
---	----------------------------------	---	--	----------------------------------	--------------------------

<p>oronavirus information</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Dr. Cauffield: She discusses the work she does with LSF health, which is contracted by the Florida Dept. of Children and Families. She talks about how the need for mental health and substance abuse help because of the pandemic. LSF health has many different options for people who need help, including telemedicine. She also explains how the pandemic and the social unrest can cause more problems in those with mental health issues. 30 minutes</p> <p>W/Dr. Cauffield: She discusses why it is important to seek help if you are struggling with anxiety or depression because of the news. She also explains some steps you can take on your own to alleviate some of the stress, which includes keeping in touch with friends, taking a break from the news, exercising, and keeping a healthy diet. 10 minutes</p> <p>W/Dr. Holland: She discusses her work with WellMed out of Tampa Florida. She then talks about how there is evidence people are not keeping up with their regular health checks because of the pandemic. She explains why it is important to keep in touch with your doctor for regular checkups. Also, good to keep your children up to date with their vaccines. 10 minutes</p>	<p>Dr. Christine Cauffield: CEO of LSF Health</p> <p>Dr. Alisa Holland: Physician with Wellmed</p>	<p>June 28, 2020, 7AM</p>	<p>60 minutes</p>
