

4th Quarter 2016 Class A Certification for WMNO-CD

WMNO-CD broadcast continuously, twenty-four hours per day, during the fourth quarter of 2016.

Local programming consisted of our public affairs program, Marion Today, and our locally produced Sights and Sounds of Marion which airs throughout the quarter. WMNO covered the League of Women Voters Candidates Night before the November general election. High School Football coverage ran through the end of October and High School Basketball began in November and ran through the end of the quarter.

A spreadsheet is attached with the local programs that were aired. Over seventy-nine hours of local programming were broadcast in the fourth quarter of 2016.

WMNO-CD has exceeded the requirement of at least three hours per week of locally produced programming for the fourth quarter of 2016.

A handwritten signature in dark ink, appearing to read "Mark Hiner".
