

2021 Q4 October-December

During the fourth quarter of 2021, the following compliancy issues were covered on **KRQR-FM**:

Radio Health Journal:

- Aging
- Addiction and Substance Abuse
- Affordable Housing
- Alcoholism
- Arts and Culture
- Children and Youth at Risk
- Communication
- Consumerism
- Covid-19 Pandemic
- Crime
- Discrimination
- Diversity Drug
- Overdoses and Opioids
- Economic Development
- Economics
- Education
- Employment and Unemployment

Program 21-40	Executive Producer:	Reed Pence
----------------------	----------------------------	------------

Air Week:
10/3/21

Studio Production: Jason Dickey

SEGMENT 1:	GETTING THROUGH GRIEF	Time	Duration
-------------------	------------------------------	-------------	-----------------

Synopsis:	Grief is unfortunately more common during the Covid-19 pandemic. But many people don't know what to do when their pain does not follow the road map they expect--the well-known five stages of grief. Two experts on grief discuss what can happen under various scenarios when a loved one dies, and what people can do to make it through their pain.	1:48	12:02
------------------	---	------	-------

Host & Producer: Reed Pence

Guests: Dr. Teralyn Sell, psychologist and founder, DrTeralyn.com; Dr. Katherine Shear, Professor of Psychiatry, Columbia University and Director, Center for Complicated Grief

Compliance issues: Mental Health, Health, Family Issues

Links: [Dr. Teralyn Sell, PhD | National Board Certified Counselor | Life Coach](#)
[Complicated Grief Overview](#)
[The Compassionate Friends Non-Profit Organization for Grief](#)
[GriefShare - Grief Recovery Support Groups - GriefShare](#)

SEGMENT 2:	THE MIND OF A MUSICIAN	Time	Duration
-------------------	-------------------------------	-------------	-----------------

Synopsis:	Music is more than a fun pastime. Studies show that especially in children, studying music rewires the brain in beneficial ways, giving them an advantage in other cognitive skills. The scientist who's done much of this pioneering work discusses its ramifications and impact.	14:52	7:58
------------------	--	-------	------

Host: Nancy Benson

Producer: Bridget Killian

Guests: Dr. Lutz Yanke, Professor of Neurophysiology and Cognitive Neuroscience, University of Zurich

Compliance issues: Recreation, Arts and Culture, Children and Youth at Risk, Education, Music

Links: [UZH - Neuropsychology - Lutz Jäncke](#)

Program 21-41 **Executive Producer:** Reed Pence

Air Week:
10/10/21

Studio Production: Jason Dickey

SEGMENT 1: SYNTHETIC BIOLOGY: FRIEND OR FOE? **Time** **Duration**

Synopsis: Traffic engineers are learning that they can increase road efficiency and safety by eliminating left turns at many busy intersections, even those that have left turn arrows. This increases distance traveled for some people--some may have to make three right turns instead--but virtually everyone benefits in travel time, as package carrier UPS has learned. A traffic engineer and UPS official discuss how it could work. 1:35 12:35

Host: Reed Pence

Producer: Polly Hansen

Guests: Dr. Michael Jewett, Professor of Chemical and Biological Engineering, Northwestern University and Director, Center for Synthetic Biology; Dr. Arthur Caplan, Head of Division of Medical Ethics, Grossman School of Medicine, New York University

Compliance issues: Covid-19 Pandemic, International Relations, Technology, Nuclear Weapons, Health Care, Ethics, Health, Pollution, Environment, Federal Government and Regulation

Links: [Michael C. Jewett – Jewett Lab](#)
[Arthur L. Caplan, PhD](#)

SEGMENT 2: THE LANGUAGE OF ADDICTION: WHY WORDS MATTER **Time** **Duration**

Synopsis: Addiction specialists are seeking to change the words we use to describe addictive behaviors, as they've learned the wrong language creates stigma and drives people away from treatment. Experts discuss the problem and solutions. 15:12 7:32

Host: Nancy Benson

Producer: Polly Hansen

Guests: Dr. George Koob, Director, National Institute on Alcohol Abuse and Alcoholism, National Institutes of Health; Dr. Nora Volkow, Director, National Institute on Drug Abuse, National Institutes of Health

Compliance issues: Substance and Drug Abuse, Alcoholism, Health Care, Substance Abuse Treatment

Program 21-42	Executive Producer:	Reed Pence
----------------------	----------------------------	------------

Air Week:
10/17/21

Studio Production: Jason Dickey

SEGMENT 1:	ARE REGULAR PEOPLE EQUIPPED TO MAKE COMPLICATED MEDICAL DECISIONS?	Time	Duration
-------------------	---	-------------	-----------------

Synopsis:	Patients have to make medical choices today that they never did before. But do they have enough information to make those choices? Are normal people able to understand the flood of information and the medical terms to make good choices? An expert discusses how patients can work through these issues.	1:43	13:05
------------------	--	------	-------

Host: Reed Pence

Producer: Libby Foster

Guests: Dr. Talya Miron-Shatz, visiting researcher, University of Cambridge and author, *Your Life Depends On It: What You Can Do to Make Better Choices About Your Health*

Compliance issues: Communication, Economics, Consumerism, Health Care

Links: [Your Life Depends On It: The Book authored by Talya Miron-Shatz](#)

[Dr. Miron-Shatz's other published works](#)

SEGMENT 2:	HEADACHES: MORE THAN YOU THINK	Time	Duration
-------------------	---------------------------------------	-------------	-----------------

Synopsis:	Headaches affect far more lives far more severely than most people realize. A sufferer and an expert physician discuss headaches and their treatment.	15:48	6:53
------------------	---	-------	------

Host: Nancy Benson

Producer: Polly Hansen

Guests: "Ryan," severe headache sufferer; Dr. Steven Meyers, Vice Chair for Quality and Informatics, Department of Neurology, NorthShore University HealthSystem

Compliance issues: Education, Employment Issues, Consumerism, Health Care

Links: [Steven M. Meyers, M.D. - Northshore University HealthSystem profile](#)

Program 21-43		Executive Producer:	Reed Pence
Air Week:		Studio Production:	Jason Dickey
10/24/21			
SEGMENT 1:	ENDEMIC COVID: THE DISEASE THAT NEVER LEAVES	Time	Duration
Synopsis:	Many experts believe we have missed our chance to eliminate Covid-19, and that now it is very likely to become an endemic disease--one that persists, though at lower levels, and never goes away. Two noted infectious disease experts discuss what that means for precautions and lifestyles in perpetuity.	1:50	13:33
Host & Producer:	Reed Pence		
Guests:	Dr. Iahn Gonsenhauser, Chief Quality and Patient Safety Officer, Ohio State Wexner Medical Center; Dr. William Schaffner, Professor of Preventive Medicine and Infectious Diseases, Vanderbilt University		
Compliance issues:	Medicine, Public Safety, Consumerism, Health Care, Health, Lifestyles		
Links:	Iahn Gonsenhauser, MD, MBA - The Ohio State University Wexner Medical Center William Schaffner, MD - Department of Health Policy - Vanderbilt University Medical Center		
SEGMENT 2:	ECZEMA IN INFANCY: A GATEWAY FOR ALLERGIES AND ASTHMA	Time	Duration
Synopsis:	Doctors have learned that childhood allergies and asthma may have their start in dry, dysfunctional skin in infancy, when allergens such as food particles enter the body through cracks in the skin. A noted pediatric allergist discusses this "atopic march" and ways to combat it.	16:25	6:35
Host:	Nancy Benson		
Producer:	Reed Pence		
Guests:	Dr. Donald Leung, Head, Pediatric Allergy Division, National Jewish Health, Denver		
Compliance issues:	Public Health, Consumerism, Health Care, Children and Youth at Risk

Program 21-44	Executive Producer:	Reed Pence
----------------------	----------------------------	------------

Air Week:
10/31/21

Studio Production: Jason Dickey

SEGMENT 1:	THE DANGERS OF FACIAL RECOGNITION	Time	Duration
------------	-----------------------------------	------	----------

Synopsis:	Facial recognition technology is everywhere, from your smartphone to the grocery store to city streets. But do we really want to be constantly tracked? Law enforcement finds it immensely helpful, but many experts say it's a massive invasion of privacy that needs limitation. Experts discuss.	1:50	13:30
------------------	---	------	-------

Host & Producer: Reed Pence

Guests: Dr. Michal Kosinski, Associate Professor of Organizational Behavior, Stanford University Graduate School of Business; Shawn Shan, PhD candidate, University of Chicago and member of team developing Fawkes facial recognition cloaking software

Compliance issues: Discrimination, Law Enforcement, Public Safety, Economics, Social Media, Technology, Right to Privacy, Consumerism

Links: [More info about Michal Kosinski](#)
[More info about Shawn Shan - University of Chicago Department of Computer Science](#)
[The Economist Article - "What Machines Can Tell From Your Face: Life in the age of facial recognition"](#)
[Download Fawkes cloaking software from the University of Chicago SAND Lab website](#)

SEGMENT 2:	ANIMAL, VEGETABLE, CRIMINAL: WILDLIFE LAWBREAKERS	Time	Duration
------------	---	------	----------

Synopsis:	Wild animals carry out "criminal acts" with amazing frequency, ranging from simple breaking and entering to theft to manslaughter. Wildlife managers spend much of their time trying to prevent these acts or clean up after them. Noted science writer Mary Roach discusses animal criminals and how human behavior is encroaching on wildlife habitat, forcing them into more criminal acts than ever.	16:25	6:35
------------------	--	-------	------

Host: Nancy Benson

Producer: Reed Pence

Guests: Mary Roach, author, Fuzz: When Nature Breaks the Law

Compliance issues: Economic Development, Wildlife, Law Enforcement, Environment

Links: [Fuzz: When Nature Breaks the Law by Mary Roach](#)

Program 21-45	Executive Producer:	Reed Pence
----------------------	----------------------------	------------

Air Week:
11/7/21

Studio Production: Jason Dickey

SEGMENT 1:	PREVENTING MILITARY SUICIDES	Time	Duration
Synopsis:	Climate change has been discussed as a serious issue impacting future generations. However, the recent rash of extreme weather worldwide, which has killed hundreds, is making scientists wonder if we have reached a turning point more quickly than we thought. Experts explain how climate change results in droughts, floods, and other severe weather and the signals it provides of danger immediately ahead.	1:50	13:30
Host & Producer:	Reed Pence		
Guests:	Dr. Ben Suitt, Contributor, Costs of War Project, Brown University and Boston University; Dr. Carla Stumpf Patton, Senior Director of Suicide Postvention, Tragedy Assistance Program for Survivors (TAPS), and a survivor of suicide loss		
Compliance issues:	Family Issues, Gender Issues, Suicide, Sexual Assault, Mental Health, Military, Health Care, Veteran's Issues		
Links:	Cost of War Project - Profile for Thomas H. "Ben" Suitt, III Stated mission of TAPS Stop Soldier Suicide - Military Suicide: What you should know 8 Ways to Cope After a Suicide Loss		
Additional Resources:	TEXT "hello" to 741741; National Suicide Prevention Lifeline: 800-273-8255		

SEGMENT 2:	THE STRUGGLES OF TWINLESS TWINS	Time	Duration
Synopsis:	Twins share a bond that can't be understood by non-twins. When one twin suddenly dies, it can leave a huge hole and in the life of the other. A twinless twin who became a therapist specializing in twin loss discusses the issue.	16:25	6:35
Host:	Nancy Benson		
Producer:	Reed Pence		
Guests:	Mary R. Morgan, psychotherapist and author, Beginning With the End: A Memoir of Twin Loss and Healing		
Compliance issues:	Family Issues, Education, Mental Health		
Links:	Mary R. Morgan, L.M.S.W. - Twinless Twins Support Group Bio Twinless Twins Support Group International		

Program 21-46	Executive Producer:	Reed Pence
----------------------	----------------------------	------------

Air Week:
11/14/21

Studio Production: Jason Dickey

SEGMENT 1:	STAFFING STRUGGLES THREATEN SURVIVAL OF RURAL HOSPITALS	Time	Duration
-------------------	--	-------------	-----------------

Synopsis:	Rural hospitals have long struggled to maintain staffing levels of nurses and other professionals that are adequate for good care. The pandemic has made it much worse, as staffers have quit and patient loads have increased. Experts discuss the roots of the staff shortage, the effects on care safety, the extreme cost of efforts to attract and retain staff, and the threat to hospital survival posed by the problem.	1:50	12:02
------------------	---	------	-------

Host & Producer: Reed Pence

Guests: Brock Slabach, Chief Operations Officer, National Rural Health Association (NRHA); John Henderson, President and CEO, Texas Organization of Rural & Community Hospitals (TORCH)

Compliance issues: Economics, Health Care, Rural Issues, Employment and Workplace Issues, Education, Public Health, Employment Issues

Links: [About NRHA - National Rural Hospital Health Association website](#)
[Texas A&M School of Public Health staff profile - John Henderson](#)

SEGMENT 2:	PERIPHERAL ARTERY DISEASE	Time	Duration
-------------------	----------------------------------	-------------	-----------------

Synopsis:	Many people are unfamiliar with arterial blockages away from the heart. Peripheral artery disease, or PAD, affects African Americans much more than other populations for unknown reasons. An expert physician discusses PAD, the possible consequences, warning signs, and a clinical trial of treatments.	14:54	7:32
------------------	---	-------	------

Host: Nancy Benson

Producer: Reed Pence

Guests: Dr. Jennifer Jones-McMeans, Director, Global Clinical Affairs, Abbott Vascular

Compliance issues: Health Care, Diversity, Minority Issues, Prevention, Technology

Program 21-47		Executive Producer:	Reed Pence
Air Week:		Studio Production:	Jason Dickey
	11/21/21		
SEGMENT 1:	HOMELESS AMERICANS: MYTH VS. REALITY	Time	Duration
Synopsis:	Around a half million people are homeless in the US on any given night, but the street homeless who are most visible often incorrectly influence our assumptions about the homeless. A noted researcher discusses myths and truths about their addictions, employment, residences, and more, and why people often become homeless.	1:48	11:35
Host & Producer:	Reed Pence		
Guests:	Dr. Deborah Padgett, Professor of Social Work and Global Public Health, Silver School of Social Work, New York University		
Compliance issues:	Mental Illness, Affordable Housing, Economics, Employment and Unemployment, Crime, Addiction and Substance Abuse, Homelessness, Poverty		
Links:	Deborah K. Padgett, PhD - Fellow at the American Academy of Social Work & Social Welfare		
SEGMENT 2:	OLDER DADS, YOUNGER KIDS	Time	Duration
Synopsis:	A National Book Award-winning author discusses his experience as a first-time dad at 56, and now as a 73-year old father with teenagers.	14:25	8:00
Host:	Nancy Benson		
Producer:	Polly Hansen		
Guests:	Tim O'Brien, author of Dad's Maybe Book		
Compliance issues:	Generational Issues, Parenting, Parenting Issues		
Links:	Tim O'Brien Biography, Books and Facts - famousauthors.com		

Program 21-48	Executive Producer:	Reed Pence
----------------------	----------------------------	------------

Air Week:
11/28/21

Studio Production: Jason Dickey

SEGMENT 1:	KIDS' COVID VACCINES: FACT AND FICTION	Time	Duration
-------------------	---	-------------	-----------------

Synopsis:	Covid-19 vaccines are now approved for children as young as 5, but while people are afraid of getting the vaccine themselves, they're even more nervous about getting it for their children. Misinformation is accelerating against use of the vaccine in kids. Experts discuss and correct the most prevalent myths.	1:50	12:51
------------------	---	------	-------

Host & Producer: Reed Pence

Guests: Dr. Nirav Shah, Director of the Maine Center for Disease Control and President of the Association of State & Territorial Health Officials (ASTHO); Dr. Stan Spinner, Chief Medical Officer & Vice President, Texas Children's Pediatrics & Texas Children's Urgent Care; Dr. Anne Zink, Chief Medical Officer for the Alaska Department of Health & Social Services and the President-Elect of ASTHO; Dr. Jose Romero, Secretary of the Arkansas Department of Health; Dr. LaQuandra Nesbitt, Director of the District of Columbia Department of Health

Compliance issues: Consumerism, Health Care, Prevention, Children and Youth at Risk, Public Health

[LaQuandra S. Nesbitt MD, MPH - Washington D.C. Department of Health](#)

SEGMENT 2:	IMPROVING VACCINE COMMUNICATION	Time	Duration
-------------------	--	-------------	-----------------

Synopsis:	The White House and many health officials have taken an aggressive approach to communicating the need for Covid-19 vaccines. Most people are prompted to get vaccinated by mandates and words that generate fear, but it's clear that they backfire with a sizable minority of others. A communications expert discusses how certain words motivate some groups and repel others.	15:43	7:18
------------------	---	-------	------

Host: Nancy Benson

Producer: Libby Foster

Guests: Professor S. Shyam Sundar, Co-Director of the Media Effects Research Laboratory at Penn State University

Compliance issues: Education, Consumerism, Federal Government, Politics, Communication

Links: [S. Shyam Sundar - Donald P. Bellisario College of Communications at Penn State](#)

Program 21-49 **Executive Producer:** Reed Pence

Air Week:
12/5/21

Studio Production: Jason Dickey

SEGMENT 1: WHEN TBI'S CHANGE PERSONALITY **Time** **Duration**

Synopsis: Traumatic brain injury can profoundly change the injured in personality and temperament, as well as physically and cognitively. Spouses bear the brunt of these changes to the point many feel like they're living with a stranger. Two experts and the spouse of a TBI victim discuss the many ways life changes after an injury and what can help to get them through the ordeal. 1:47 12:28

Host: Reed Pence

Producer: Morgan Kelly

Guests: Megan Horst, wife of TBI survivor; Dr. Lori Weisman, psychotherapist and educator specializing in traumatic brain injuries; Dr. Jeffrey Scott Kreutzer, Professor of Physical Medicine and Rehabilitation, Virginia Commonwealth University (VCU) School of Medicine, and Director of VCU Traumatic Brain Injury Model System of Care

Compliance issues: Family Issues, Public Safety, Public Health, Health Care, Rehabilitation, International Relations

Links: ['Are You My Husband?' - New York Times](#)
[Lori Weisman, MA, LMHC | Individual & Couples Therapist Specializing in Brain Injury](#)
[Jeffrey Kreutzer, Ph.D. - VCU Profile](#)

SEGMENT 2: ADDRESSING POST INTENSIVE CARE SYNDROME - HUMANIZING THE ICU **Time** **Duration**

Synopsis: Medicine in intensive care units has become so technically focused that many doctors believe they've lost their connection with the humanity of patients, and a high degree of patients are experiencing post intensive care syndrome. 15:17 7:35

Host: Nancy Benson

Producer: Polly Hansen

Guests: Dr. Wes Ely, Professor of Medicine and Critical Care at Vanderbilt University, Grant W. Liddle Chair in Medicine, Associate Director of Critical Illness, Brain Dysfunction and Survivorship (CIBS), and author of the book Every Deep-Drawn Breath

Compliance issues: Consumerism, Health Care, Medicine, Education, Communication, Technology

Program 21-50	Executive Producer:	Reed Pence
----------------------	----------------------------	------------

Air Week: 12/12/21	Studio Production:	Jason Dickey
------------------------------	---------------------------	--------------

SEGMENT 1:	THE DAMAGE OF TOO LITTLE SLEEP	Time	Duration
-------------------	---------------------------------------	-------------	-----------------

Synopsis:	Getting less than six hours of sleep per night has long been known to be hazardous to health, but the discovery of the mechanisms behind those hazards is leading scientists to strengthen their warnings.	1:50	11:12
------------------	--	------	-------

Host: Reed Pence

Producer: Polly Hansen

Guests: Dr. Chris DeSouza, Professor of Integrative Physiology at the University of Colorado; Dr. Ehsan Shokri-Kojori, Research Fellow, National Institutes of Health Laboratory of Neuroimaging

Compliance issues: Public Health, Consumerism, Health Care

Links: [Dr. Chris DeSouza Bio](#)
[NIH Laboratory of Neuroimaging](#)

SEGMENT 2:	BUILDING THE COVID VACCINE	Time	Duration
-------------------	-----------------------------------	-------------	-----------------

Synopsis:	The vaccine for Covid-19 was developed with record speed while still following required safety protocols. A noted investigative reporter discusses the development process he uncovered for his exhaustive book and explains why the hundreds of interviews he did have reassured him that the vaccine is safe.	14:04	8:14
------------------	---	-------	------

Host: Nancy Benson

Producer: Reed Pence

Guests: Gregory Zuckerman, Special Writer at The Wall Street Journal, and author of A Shot to Save the World: The Inside Story of the Life-or-Death Race for a Covid-19 Vaccine

Compliance issues: Health Care, Medicine, Vaccination, Communication, Education, Technology, Consumerism

Program 21-51		Executive Producer:	Reed Pence
Air Week:		Studio Production:	Jason Dickey
	12/19/21		
SEGMENT 1:	EASING THE OPIOID EPIDEMIC	Time	Duration
Synopsis:	Drug overdoses killed more than 100,000 Americans in the first year of the Covid-19 pandemic, as pressures built and users sometimes had to get their fix from unfamiliar sources. Experts discuss how the pandemic cost lives beyond Covid, and how surgical painkiller drug substitutions are beginning to keep some people from going down the opioid path.	1:50	13:00
Host & Producer:	Reed Pence		
Guests:	Dr. Thomas Stopka, Associate Professor of Public Health and Community Medicine, Tufts University; Dr. Luke Elms, general surgeon, Orlando Health Dr. P. Phillips Hospital		
Compliance issues:	Substance and Drug Abuse, opioids, heroin & fentanyl, Drug Overdoses and Opioids, Public Health, Addiction and Substance Abuse, Consumerism, Federal Government, Health Care, Opioid Epidemic, Substance Abuse Treatment, State Government and Legislation		
Links:	Thomas Stopka, Ph.D., MHS – Tufts University profile Survey: Most willing to forgo opioids after surgery if pain can be effectively managed without them		
SEGMENT 2:	NEW OVER-THE-COUNTER HEARING AID CATEGORY	Time	Duration
Synopsis:	Many people who need hearing aids never get them, in part because they currently require a prescription and expensive treatment. An expert discusses the FDA's new proposed category of over-the-counter hearing aids.	15:52	7:15
Host:	Nancy Benson		
Producer:	Reed Pence		
Guests:	Barbara Kelley, Executive Director of the Hearing Loss Association of America		
Compliance issues:	Education, Public Health, Technology, Consumerism, Health Care		
Links:	Barbara Kelley Bio - hearingloss.org		

Program 21-52		Executive Producer:	Reed Pence
Air Week:		Studio Production:	Jason Dickey
	12/26/21		
SEGMENT 1:	SAVING PRESCHOOL EDUCATION	Time	Duration
Synopsis:	Preschool teachers have left the profession in huge numbers, closing some schools and threatening others. With nowhere to safely leave their children, millions of people are unable to return to work, sabotaging economic recovery. An expert discusses the low wages behind the 10% (or more) drop in early educators and how current legislation may finally turn the industry around.	1:50	11:32
Host & Producer:	Reed Pence		
Guests:	Lauren Hogan, Managing Director for Policy and Professional Advancement, National Association for the Education of Young Children		
Compliance issues:	Pandemic Policy, Economics, Public Health, Education, Children and Youth at Risk, Legislation and Policy, Federal Government, Employment and Unemployment		
Links:	Lauren Hogan NAEYC		
SEGMENT 2:	ADVANCES THAT MAY ELIMINATE SCARRING	Time	Duration
Synopsis:	Scars are a public health as well as aesthetic threat, as internal scars can compromise the function of organs and tissues. Scientists are now devising medications that promote healing without producing scars. One of the scientists on the front lines discusses how these medicines work and their possible uses.	14:24	8:33
Host:	Nancy Benson		
Producer:	Polly Hansen		
Guests:	Dr. Michael Longaker, Professor of Surgery and Director, Institute of Stem Cell Biology and Regenerative Medicine, Stanford University		
Compliance issues:	Health Care, Consumerism, Technology, Public Health, Education

SEGMENT 1:	STAYING HEALTHY THROUGH THE END OF 2021 WITH DELTA IN THE BACKGROUND	Time	Duration
Synopsis:	I don't know if it's just us, but this year really has flown by. It's odd to think that 2022 is only three months away. Unfortunately, the Delta variant is causing the COVID-19 pandemic to still linger on this year, but many are optimistic that the worst is now behind us. Pediatrician Dr. Jenna Wheeler joins us this week to offer up some advice on holiday gatherings, keeping healthy through flu season and the importance of getting younger children vaccinated as soon as they're eligible.	1:47	9:26
Host:	Gary Price

SEGMENT 2:	THE MODERN LIBRARY	Time	Duration
Synopsis:	When's the last time you visited your community library? If it's been awhile, there's a large chance a lot has changed in recent years. Many libraries have stepped up and evolved during the pandemic to offer more remote classes and resources, as well as a place to work and connect with others if you need to get out of the house. The best part? It's all free.	13:21	9:10
Host:	Marty Peterson		
Guests:	Joyce Cooper, director, branch library services, Los Angeles Public Library.		
Issues Covered:	Career, Community, Education, Internet, Literature, Public Resource		
Links:	Los Angeles Public Library LAPL Labs: Creativity Within Reach Fund Libraries Campaign, Advocacy, Legislation & Issues – American Library Association (ALA)		
CULTURE CRASH:	THE STAGGERED RISE TO STARDOM	Time	Duration
Synopsis:	Dominic Fike, a popular, up-and-coming musician, performed recently at the Firefly Music Festival in Delaware. We discuss his performance at the highly anticipated event and the difficult task of becoming not only a great musician, but performer as well.	23:30	2:56
Host:	Evan Rook		
Issues Covered:	Culture, Music, Music Industry		

Program 21-42 Writers & Producers: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
10/17/21

SEGMENT 1:	THE MODERN PET: A MUCH-ADORED FAMILY MEMBER	Time	Duration
Synopsis:	You may have held out on getting a pet for years and years, but when the pandemic hit, it seemed like an opportune time to add a new furry member to the family. Today, more than 70 percent of Americans own one pet or more, and this number is only set to increase in coming years. We speak with two pet experts this week about the evolving sector and the pedestal we place our pets on in this country.	1:47	12:03
Host:	Gary Price		
Guests:	Mark Cushing, founder, CEO, Animal Policy Group, author, Pet Nation: The Inside Story of How Companion Animals Are Transforming Our Homes, Culture, and Economy; Dan Rubenstein, CEO, PUPS Pet Club.		
Issues Covered:	Business, Personal Finance, Relationships, Culture, Animal Welfare
