#### ADDENDUM

This certification is in addition to the attached list for the FCC’s Issues/Programs Report for this quarter. WHTN TV-39 routinely produces and airs approximately 190-198 hours of programming each quarter, which helps to educate people in skillful, purposeful- living, in addition to those already listed in this quarterly report. These meaningful programs help one to manage life’s issues, are based on Biblical principles and precepts, and are accomplished through a live phone-in program.

“You & Me” (Mon-Fri. 12:30am-3:30am) is aired live each night with the host answering questions and praying for a variety of topics. Issues covered include: family relationships, race relations, women’s issues, health, community ventures and co-ops; teenage issues; as well as finances, adult education, substance abuse – prevention – recovery; soup kitchens, homeless ministries, and help for impoverished people. This program has proven to be an ideal opportunity to help and minister to the lonely, hurting, distressed and struggling.

“You & Me” is not scripted and therefore has no specified format so it isn’t possible to include a rundown or analysis of each program for this report. There are numerous other categories covered that are not mentioned here due to the fact that the host often selects a specific theme for the night.
