Asthma, cancer, high blood pressure, coronavirus. No Iowa family should lose their health coverage because they have a preexisting condition, but Senator Joni Ernst wrote a bill that would let insurance companies deny coverage for people with pre-existing conditions. 1 in 3 Iowans could lose their health coverage if Joni Ernst gets her way. And while Iowa families struggle to keep up with skyrocketing prescription drug costs, Joni Ernst refused to support giving Medicare the power to negotiate lower prescription drug prices for people on Medicare and private insurance. Truth is, Joni Ernst keeps attacking our healthcare. And you don't have to be a rocket scientist to figure out why. She's taken \$600,000 from the drug and insurance industries. \$600,000 changed Joni Ernst. She's hurting Iowa families. Change Now is responsible for the content of this ad.
