

## Quarterly Reports

2018				
Second Quarter: April 1st - June 30th				
Issue	Program	Date	Time	Hours
Women serving in combat	Community Outlook: caller opinions from yes, because preventing them to serve is discrimination; to they are not physically capable as men for combat.	4/3	1600-1700	1
Legalizing same sex marriage	Community Outlook: caller opinions from yes, by taking government out of marriage and make it a religious decision; to not legalizing it and call it a civil union-- not a marriage.	4/10	1600-1700	1
Legalizing sports betting	Community Outlook: caller opinions ranged from yes by letting the states decide; to no because it will compromise the integrity of sports.	4/17	1600-1700	1
Universities providing "trigger warnings" and "safe spaces"	Community Outlook: caller opinions ranged from yes by alerting university population of a security threat; to no because a university cannot provide enough "safe spaces."	4/24	1600-1700	1
Cell phones ruining our society	Community Outlook: caller opinions ranged from cell phones do not jeopardize safety; to they can produce safety hazards when driving, etc.	5/1	1600-1700	1
Separation of church and state	Community Outlook: caller opinions for the separation because "God" references creates a bias against religions that do not believe in God; to religion is an important aspect of our country's history.	5/8	1600-1700	1
Gender Identity Issues	Community Outlook: caller opinions in favor of adding it to ant-discriminations laws to maintain gender equality; to not adding it because gender identity is genetically determined and not psychologically determined.	5/15	1600-1700	1
Improving local political leadership	Community Outlook caller opinions were centered around politicians taking a social science course.	5/22	1600-1700	1
Businesses denying customer services because the services conflict with the owner's religious beliefs	Community Outlook: caller opinions in favor of denying requests only if the business owner posts his beliefs and list what services will be denied; to no denial of customer service because all customers should be treated equally.	5/29	1600-1700	1

Gay and straight couples having the same rights when adopting children	Community Outlook: caller opinion in favor only if the gay couple passes the same background checks as a straight couple; to no because a mother and father structure is best for the child.	6/5	1600-1700	1
Supporting the death penalty	Community Outlook: caller opinion in favor only for horrific crimes with undeniable evidence; to no death penalty because too many innocent people are convicted; a life sentence is harsher than death.	6/12	1600-1700	1
Government funding of Planned Parenthood	Community Outlook: caller opinion in favor only for services beyond abortion like: cancer screening, prenatal care and adoption referrals; to no government funding to any organizations that perform abortions.	6/19	1600-1700	1
Writing for social media ruining the English language	Community Outlook: caller opinion in agreement because abbreviations creates "cyber slang" that damages a person's writing acuity; to disagreeable opinions centered on the need of brevity in electronic communication.	6/26	1600-1700	1
