### **Employee Diversity Groups**

NBCUniversal’s diverse employee population is reflected in our affinity groups. These voluntary organizations focus on the professional development of their members by creating opportunities for coaching, mentoring and networking with employees and senior management. In addition, they are a major force in driving recruitment and retention of top talent in the organization. Participation in these groups is open to all employees. Established affinity groups at NBCUniversal, including Out@NBCUniversal, Unidos@NBCUniversal, Veterans Network, The Women's Network @ NBCUniversal (WNN) and others, provide professional networking and skill development courses to employees.

**Internal Skills Enhancement Programs.**

NBCUniversal provides its employees with training that is designed to enable station personnel to acquire skills that could qualify them for higher level positions. The Talent Lab is NBCUniversal’s suite of nomination-based learning and developmental experiences that are uniquely designed to develop and engage NBCUniversal employees. It consists of five “tracks” with several underlying programs and experiences designed to develop leadership capabilities, enhance business acumen, and help shape and define culture within NBCUniversal. During the reporting period, a handful of the Unit’s employees participated in the following developmental courses: JUMP, INVEST, and PIVOT:

First Name	Last Name	Title	Course Name
Aaron	Thomas	VP, Sales	PIVOT
Adam	Hart	Manager, Creative Content	JUMP
Che	Harris	Production Manager	INVEST
Rafael	Perez-narvaez	Executive Producer	JUMP
Melissa	Younger	Executive Producer	JUMP

In addition, online courses on a variety of topics are available to all employees. Courses include: Negotiation Skills, Time Management, Team Building, Goal Setting, Project Management, Communication Skills and Conflict Management.

**Internal and External DEI Committees**

- Within the Unit, a number of employees participate in an internal DEI-focused committee to help foster diversity & inclusion within the Boston Media Center. Among other things, the group helps define areas of opportunity where the Unit can grow and develop in the areas of diversity, equity, and inclusion. The group gathers periodically throughout the year.
- The Unit also engages with community leaders to participate in an external DEI-focused Committee . The group meets quarterly.
  - o Activities include content auditing: and providing both positive feedback on inclusive and diverse content, as well as examples of failed content within context and areas for improvement.

**Recruitment:** All positions are posted on nbcunicareers.com (the “Career Site”), a link to which is provided on the Stations’ websites. All positions posted on the Career Site are republished by numerous third-party online general audience job boards, including commonly used sites like LinkedIn, AboutJobs, Indeed, and ZipRecruiter. Additionally, NBCUniversal partners with Direct Employers, which disseminates Career Site postings to additional online job boards targeted to reach diversity-focused, military veteran, disabled, and federal government job seekers.
