Analog Core Programming

2. State the average number of hours of Core Programming per week broadcast by the station. See 47 C.F.R. §73.671(c).
3. (a) Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. §73.673?
- (b) Identify publishers who were sent information in 3(a).
4. Complete the following for each program that you aired during the past three months that meets the definition of Core Programming. Complete chart below for each Core Program.
- [There are no analog core program reports.]*

Non-Core Educational and Informational Programming

5. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and informational program.
- [There are no analog non-core program reports.]*

Sponsored Core Programming

6. List Core Programs, if any, aired by other analog stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.
- [There are no analog sponsored core program broadcast reports.]*
- [There are no analog sponsored core program detail reports.]*

Digital Core Programming

7. (a) State the average number of hours of Core Programming per week broadcast by the station on its main program stream. **2.96 hours**
- (b) Did the Licensee broadcast on its main digital program stream the same Children's Core Programming provided on its analog channel? **N**

- (c) If Yes to 7(b), the Licensee certifies that the representations and children's program information provided with respect to its analog channel apply equally with respect to its main digital program stream.

N

If No to 7(c), submit as an Exhibit a Statement of Explanation.

View Statement of
Explanation

8. (a) State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream **336.00 hours**
- (b) State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. §73.671 **4.85 hours**
9. (a) Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. §73.673? **Y**
- (b) Identify publishers who were sent information in 9(a).

The Univision programming service provides information identifying the core programs it supplies to affiliated stations, including an individual indication of the target child audience, to the following publishers of program guides: Tribune Media, FYI Television Services, and Rovi Corporation. The UniMas programming service provides information identifying the core programs it supplies to affiliated stations, including an individual indication of the target child audience, to the following publishers of program guides: Tribune Media, FYI Television Services, and Rovi Corporation. The getTV Network programming service provides information identifying the core programs it supplies to affiliated stations, including an individual indication of the target child audience, to the following publishers of program guides: Tribune Media, FYI Television Services, and Rovi Corporation.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

This educational program is targeted to pre-schoolers, featuring five high-spirited friends Uniqua, Pablo, Tyrone, Tasha and Austin who inspire children to engage in creative collaborative play through musical-adventures. Each episode entices young children to learn through music and dance and develop "cognitive learning." The unique character's personalities also add to this program's appeal, children will easily relate. Uniqua is the curious and confident one, and sometimes is perceived as the tomboy. Pablo the penguin is most often the leader of the pack but has panic attacks when he encounters obstacles. Tyrone the moose is the

laid back and cool and known for his ironic comments. Tasha the hippo is the serious one, likes to get her own way and isn't easy to fool. Austin is the timid kangaroo who starts to come out to his shell with help of his friends. Each adventure begins in the backyard through the group's imagination it is transformed into a completely different world in which they enjoy many sorts of stories and adventures. Viewers are stimulated to early-learning through the different music genre such as big band, reggae, western, polka, Motown and disco.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

The Jungle Book series is based on Rudyard Kipling's classic story. Drama, excitement and adventure mixed with a high element of comedy tell tales of how Mowgli lives and survives in the jungle, where his only companions are animals. His escapades reflect his daredevil, fearless, high spirited and fun loving nature. Mowgli is helped by Baloo the Wise Bear, his best friend Bagheera the Black Panther and mighty Kaa the Rock Python. Viewers learn the importance of friendship, curiosity, and how to overcome challenges with perseverance and an optimistic outlook on life. On March 15, 2014, the Network erroneously aired an episode of Backyardigans and preempted The Jungle Book, the missed episode will be rescheduled and made-good early in the 2nd quarter. Promotional efforts will be made to notify the public of the rescheduled date and time.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

Go, Diego, Go! stars another positive Latino host, Dora the Explorer's 8-year old cousin, Diego Marquez. Diego is an action-adventure hero who motivates children to learn about the natural world around them and teaches children about a specific animal, such as the sound it makes, how it moves, what habitat it needs, what it eats and its physical characteristics. In each episode, Diego rescues an animal in trouble, modeling the use of observation skills and scientific aides like computers, a field journal and cameras, as well as positive social skills such as empathy, a desire to help others and, especially, respect for the environment. Go Diego Go! incorporates play-along viewing, interaction with Diego, movement, singing, problem-solving and strong cultural references.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

Aqua Kids Adventures provides CORE programming in the area of biology and specifically the ecosystem related to the ocean, its tributaries and estuaries. Children can learn about the resources of the oceans and how protection of oceans is necessary to present and future generations. Not only does the show teach biological topics, but it aims to enrich children's lives by making them aware of future generations, the role they play now, and for generations into the future, with the biggest ecosystem on earth-the oceans. Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the Earth. Aqua Kids Adventures provides kids with a way to learn about the diversity of marine animals around the world and the importance of preserving their fragile aquatic habitats. Through the use of hands-on collaboration between kids and science researchers and educators, Aqua Kids Adventures encourages children to take an active role in protecting the future of their communities and the world. On February 7, this program was preempted due to a technical error a make-good was scheduled and promotional efforts were made to notify the public of the rescheduled date and time.

Each episode provides information related to a specific topic and gives an educational approach to understand the topic related to the entire ecosystem of the Earth. Aqua Kids Adventures provides kids with a way to learn about the diversity of marine animals around the world and the importance of preserving their fragile aquatic habitats. Through the use of hands-on collaboration between kids and science researchers and educators, Aqua Kids Adventures encourages children to take an active role in protecting the future of their communities and the world.

15. Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. §73.3526(e)(1)(iii)?

Y

16. Identify the licensee's children's programming liaison
