Subject: Request for Extension of Time to File EEO Audit Response

Mr. Pulley,

Among the stations selected for audit in the latest group of EEO audits were KMVU-TV/KMVU-DT, Medford, Oregon, licensed to Broadcasting Licenses, L.P., and KAYU-TV, Spokane, WA, licensed Mountain Licenses L.P. Broadcasting Licenses, L.P. and Mountain Licenses L.P. are commonly owned by Northwest Broadcasting, Inc. Station staff has been working to identify and assemble all of the information needed to respond to the audit letter for the respective employment units. However, more time is needed to gather additional materials to include in the audit response and to coordinate review of all responsive materials. Therefore, I am writing to request a brief extension of time to respond, through and including April 24, 2013. This will afford the time necessary to gather the remaining materials and allow for an orderly preparation of the response.

If you have any questions, please contact me.

Thanks,
Laura
