During the internship, they assisted in the Promotions Departments; shadowed key personnel from the Programming Department, including on-air staff; worked with the Production Department in creating commercials; and shadowed Account Executives while attending Sales meetings. They also had the opportunity to seek career advice and ask questions related to jobs in broadcasting.

The Air Personality taught the students how the radio show is broadcast from the studio and the Program Director spoke to them about how a station chooses music and promotions it wants to be involved in. The students were also able to see career advice and ask questions related to jobs in broadcasting.
