NBC4, COLUMBUS, OHIO

QUARTERLY ISSUES/PROGRAM REPORT

April 1, 2016 to June 30, 2016

NBC4 attempts to serve the public interest by presenting broadcast material that treats significant issues of the people in central Ohio. The following is a brief description of some of the segments and programs we believe have provided the most significant treatment of those issues during the second quarter, (April 1, 2016 – June 30, 2016) including the title of the program or segment, its length, date, and duration of the broadcast.

Public Service Announcements--:04 ID, :10, :15, :20, and :30 lengths; these short-form segments offer community awareness about an organization that serves a specific issue or publicizes one of the organization's fund-raising efforts.

NBC4 Today, NBC4 Midday, NBC4 at 5, NBC4 at 5:30, NBC4 at 6, NBC4 at 11 Monday - Fridays, NBC4 Today Weekend Edition, NBC4 at 6 Weekend Edition, and NBC4 at 11 Weekend Edition on Saturdays and Sundays, **NBC4 at 7** on Saturdays and **NBC4's The Spectrum** on Sundays. Time: 4:30-7:00 a.m., 11:00-11:30 a.m., 5:00-6:00 p.m. 6:00-6:30 p.m., 11:00-11:35 p.m. Monday-Friday, 5:00-7:00 a.m. and 8:00-9:00 a.m. on Saturdays, 6:00-8:00 a.m. and 9:00-10:00 a.m. on Sundays, 6:00-6:30 p.m. on Saturday and Sunday, 11:00-11:30 p.m. on Saturday and 11:00-11:35 p.m. on Sunday, 7:00-7:30 p.m. on Saturdays and 10:00-10:30 a.m. on Sundays.

I. DEVELOPMENT/ECONOMIC ISSUES

NBC4 Today, April 3, 2016 Fracking Induced Earthquakes Oil and gas exploration have been an economic boom in parts of the country. But hydraulic fracturing or "fracking" has an environmental cost. 1:54 in length

NBC4 Midday April 4, 2016 Longaberger Giant Basket Discussions are underway this morning to find a way to save the iconic "big basket" that's been a part of the Licking County community for the last 20 years. The Newark Advocate reports city leaders are looking at ways to fill the nine-story office building that was the original home to the Longaberger Basket Company. :31 in length

NBC4 at 11, April 5, 2016 Cold Weather Precautions Extreme temperatures are forcing some farmers here in Central Ohio to take extreme measures to protect their crops. Some use sprinklers to coat plants in ice, insulating them from the freezing cold, while others use burlap to cover fragile vegetation. :49 in length

NBC4 at 5:30, April 6, 2016 Honda Financial Charges Honda owners across the country are reporting they've been double charged for their April payments. 1:30 in length.

NBC4 at 11, April 8, 2016 OSU Tuition Freeze Tuition for undergraduate and graduate students at Ohio State University will not be going up next year. The board of tuition agreed to freeze tuition and fees for the 4th year in a row. Ohio State University is among the least expensive schools in the Big Ten. :33 in length

NBC4 at 11, April 11, 2016 Buckeye Lake State Aid The State of Ohio
will soon begin handing out grants and loans to Buckeye Lake business owners who lost revenue after repairs started on the aging dam. To qualify, businesses must be able to show that revenue dropped by 40 percent. :34 in length

NBC4 at 6, April 18, 2016 School Consolidation Meeting Columbus City
School leaders are hearing from parents of students who would be impacted by proposals that could see several schools close. It's the first of five community meetings about those possible changes. It's at the Columbus global academy on Karl road and it runs until eight. The school board is looking to modernize and renovate its aging buildings and address the growing capacity issues. 1:30 in length

NBC4 at 5, April 21, 2016 Columbus Casting Jobs Hundreds of
employees at the biggest steel foundry in the country could soon be without a job after Columbus Castings announces a massive shut down. 2:00 in length.

NBC4 Midday, April 26 2016 Dublin Approves Community Districts Dublin City
Council has given the green light to move forward with the development of three community entertainment districts. Computer generated images from our partners at Columbus Business First show there will be plenty of activities for the community to take part in. : 24 in length

NBC4 Midday April 28, 2016 Mad River New Lodge Plans Things are
looking up for one central Ohio ski resort. Back in September, a massive fire broke out at Mad River Mountain, destroying its historic lodge. Now the resort is giving us a sneak peek at a new facility in the works. : 39 in length

NBC4 at 6, May 6, 2016 Buckeye Lake Comeback The Buckeye
Lake Dam project is full steam ahead...but many local businesses are still feeling the pain tonight. With summer around the corner, many Buckeye Lake business owners aren't optimistic. 1:30 in length

NBC4 Today, May 7, 2016 Buckeye Lake Dam For eight months
construction crews have been working around the clock on the new, four-mile-long Buckeye Lake Dam. Now, the first phase is complete. :48 in length

NBC4 at 11, May 9, 2016 New Albany Pay-for-Play Protest New Albany
parents are making a plea to the school board to reduce and cap pay-to-play fees. After an operating levy failed in November 2014, funding for athletics was cut, and now some parents are paying up to \$625 in fees. 2:07 in length

NBC4 Midday May 10, 2016 Pay-to-Play New Albany Parents and
students are now working to reduce and cap pay-to-play fees for sports programs at one school district in central Ohio. Back in 2014, a failed operating levy forced the New Albany-Plain Local School District to eliminate funding for athletics. Now students and parents are working on a different approach for the upcoming budget plan. : 46 in length

NBC4 at 5:30, May 10, 2016 Scioto Downs Expands A new season of
harness racing opens as Scioto Downs adds a hotel and restaurant to attract even more business. 2:04 in length.

NBC4 at 11, May 10, 2016 Millennial Tower A new project
downtown will change the look of Columbus' skyline two years from now. The Millennial Tower is being proposed as a 25-story "vertical city" with apartments, offices, retail space, and a parking garage. It is expected to be completed in 2018. :30 in length

NBC4 at 6, May 12, 2016 Hilliard Store Closing A local store
that's been around for 80+ years closes because a huge theft put them under. 1:30 in length

NBC4 at 11, May 12, 2016 Dog Shelter Closing Employees and volunteers are scrambling to find homes for dogs and cats at the Top Ohio Pet Shelter in Bellefontaine. The shelter is about to close because they don't have enough money to stay open. They are now \$50,000 in debt. :52 in length

NBC4 Today, May 14, 2016 Scioto Downs Expands A new season of racing opened this week at Scioto Downs, but that's not all that's new there. The racetrack has been a fixture on the south side for more than 50 years. Owners hope to make the complex a true entertainment destination. 2:01 in length

NBC4 Midday May 17, 2016 Columbus Castings Announcement The parent company for Columbus Castings announced today that it has filed for bankruptcy. At the same time, it has also announced a letter of intent from a third party to buy the company's assets. This is great news for employees who have been laid off over the past several weeks as the company moved into a temporary halt in production. 2:00 in length

NBC4 at 6, May 17, 2016 Vacant Home Controversy A three-year fight between the city of Columbus and neighbors over vacant property comes to an end. 1:30 in length

NBC4 Today, May 19, 2017 Vice Pres Biden on Overtime Rules Come December, you could see some changes to your paycheck. There's a new overtime rule taking effect and it could impact more than 4 million U.S. workers. Vice President Joe Biden traveled to Jeni's Splendid Ice Cream to outline the guidelines. 1:00 in length

NBC4 at 5:30, May 23, 2016 Dangerous Grain Silos Neighbors say a giant abandoned grain silo is not only an eyesore, it is dangerous and they are now trying to get Columbus city leaders to clean-up the site. 2:09 in length.

NBC4 Today, May 25, 2016 Groundbreaking at IKEA Construction crews will officially break ground on the second IKEA store in Ohio. The Swedish furniture retailer will be built on the former Germane Amphitheater site off Polaris Parkway and Interstate 71 north of Columbus. : 28 in length

NBC4 at 6, June 2, 2016 Local Impact of Payday Loans The payday loan industry could be getting a big overhaul, as federal regulators are proposing a clamp-down on lenders. The Consumer Financial Protection Bureau is proposing that lenders need to prove borrowers can repay the money in full without having to renew the loan. It's designed to protect borrowers from getting into a cycle that regulators call a "debt trap". There are hundreds of payday lenders in Ohio. 1:30 in length

NBC4 at 11, June 8, 2016 Beer at OSU Stadium Fans will soon be able to buy beer at the Buckeyes Game. The Ohio State University tested out the program last year, and is now rolling out beer sales to the entire stadium. The estimates revenue has not been disclosed, but OSU plans to spend some of the money to hire two full-time police officers. 1:44 in length

NBC4 Midday, June 10, 2016 Logan County Shelter Close An animal shelter in Logan County has officially shut its doors after numerous fundraising efforts failed to keep the non-profit running. The shelter is \$50,000 in debt and it would cost nearly twice as much to stay open. :24 in length

NBC4 at 6, June 10, 2016 Children's Hospital Expansion Leaders at Nationwide Children's Hospital announced a massive \$730 million dollar expansion today. That includes a new \$160 million dollar behavioral health pavilion, a comprehensive center devoted to mental-health care for children and teenagers. : 30 in length

NBC4 at 11, June 17, 2016 15th and High Announcement Ohio State University unveiled a new development plan for the intersection of 15th Avenue and High Street. A new

public space called University Square is coming, as well as improvements for pedestrian traffic and extra parking. :39 in length

NBC4 Today, June 24, 2016 Tanger Outlets Open The doors to the brand, new Tanger Outlet Mall opened for the very first time today. It's a major development project in Delaware County that first launched nearly four years ago. This morning, shoppers will see the finished product. The mall expects 10 to 15 thousand people will be there during its first weekend of business. 1:45 in length

II. HEALTH AND EDUCATION

NBC4 at 11, April 5, 2016 Reynoldsburg School Crowding Overcrowding at one of its two high schools is forcing Reynoldsburg City Schools to make changes before next school year. The school board presented a few options to parents, and now they are asking for the community's input. 2:07 in length

NBC4 Today, April 7, 2016 Exercise Calorie Count There's a call to change food labels to help people be more mindful about what they eat. A group of British scientists says that if you pair the amount of calories with what it actually means for you physically, people will think differently about snacking. 1:00 in length

NBC4 Today, April 9, 2016 Autism Spectrum Screening NBC4 is committed to the fight against autism. Recently a government task force came out saying there wasn't enough evidence to screen for autism before the age of two if a child isn't showing symptoms. 2:18 in length

NBC4 Today, April 12, 2016 Concussion Study There's more evidence that those tough tackles on the football field cause significant damage to the brain. Research that will be presented to an American Academy of Neurology meeting is one of the first to provide "objective evidence" in living NFL veterans. : 40 in length

NBC4 at 5:30, April 12, 2016 School Consolidation Thousands of students could be affected as the Columbus City School District looks into modernizing its aging school buildings. 2:33 in length.

NBC4 at 5:30, April 13, 2016 Granville Water School leaders in the Granville School District had to shut down the water fountains after high levels of lead were found. 2:00 in length.

NBC4 at 5:30, April 14, 2016. Brain Chip Helps Neuroscientists at Ohio State University are testing a chip that could give paralyzed patients use of their limbs. 1:45 in length.

NBC4 at 11, April 14, 2016 Education Town Hall Columbus
teachers were part of a nationwide discussion tonight hosted by NBC News. The Columbus group is one of six cities that participated in the live event discussing health and wellness issues and closing the achievement gap. : 45 in length

NBC4 Today April 16, 2016 Granville School Lead More fallout
from lead in local water. We now know the amount of lead found in drinking fountains at Granville Schools. : 37 in length

NBC4 at 11, April 18, 2016 School Modernizing Meeting Columbus City
Schools held the first of five community meetings as the district works to update the master facilities plan. The district is preparing to replace or renovate more than half of its school buildings. 1:39 in length

NBC4 Midday April 27, 2016 Lead in Granville Schools Water All drinking
fountains were shut off after high levels of lead were discovered in the water at Granville schools. Now, students are being tested by the district for high levels of lead in their blood stream. The district says 36 fountains will be replaced in several schools. : 30 in length

NBC4 Midday, April 29, 2016 Drug Take Back Day The fight against
prescription drug abuse takes another big step. NBC4 has long reported on the growing drug problem in central Ohio, with some of the issues starting right in the family medicine cabinet. This weekend members of the community are invited to drop off any unused or expired prescriptions at participating Kroger stores throughout central Ohio. : 50 in length

NBC4 at 11, May 2, 2016 Capital Law School Program Capital
University has a new program to entice future law students that could save them a lot of money. They are the first in Ohio to offer the “3 + 3” program, where their senior year is also their first year of law school, cutting off one year of education. 1:07 in length

NBC4 Midday May 4, 2016 Reynoldsburg School Overcrowding Reynoldsburg
City Schools says it now has a plan to deal with overcrowding at its Summit Road campus. For just one year, there will be an enrollment cap at the school. School leaders say the greatest impact will be felt at the Summit Campus, which is bursting at the seams. : 45 in length

NBC4 at 5:30, May 9, 2016 ECig Poisonings Central Ohio
Health Advocates hope the Food and Drug Administration’s new regulations on e-cigarettes will keep young children safe. 2:13 in length.

NBC4 at 11, May 10, 2016 Lead in Heath Schools Water Two more
Central Ohio schools test positive for high levels of lead in the water. The water samples were taken at Garfield Elementary and Heath Middle School. A kitchen sink and water fountain are being repaired or replaced. : 22 in length

NBC4 Midday, May 11, 2016 Heath Lead in Water Two more
schools right here in central Ohio have tested positive for high levels of lead in their water supply. Water samples were taken recently at Garfield Elementary at Heath Middle School. The district got the results back Monday, and it showed a kitchen sink and a water fountain needs to be repaired or replaced. : 46 in length

NBC4 Today, May 12, 2016 FDA Redefining Healthy Eating healthy is
about to take on a whole new meaning. This morning The Food and Drug Administration are in the process of re-defining the term “healthy.” : 40-seconds

NBC4 Today, May 14, 2016 Transgender Policy in schools The debate over
bathroom policy continues in the capital city, but Columbus City Schools has addressed the issue already.

Transgender students at Columbus City Schools already have access to facilities like restrooms and locker rooms. 1:00 in length

NBC4 Today, May 14, 2016 Male Breast Cancer Male breast cancer makes up about one percent of all breast cancer cases. That still equates to 2,600 new cases this year. One central Ohio man was courageous enough to share his story of survival in the midst of serving others. 2:10 in length

NBC4 Today, May 21, 2016 Marion Drug Walk Millions battle a serious drug addiction each and every day. But the story isn't in the numbers; it's in the people who have spent years in rehab and jail struggling to overcome the habit. NBC4's Marcus Thorpe tells the incredible stories of two central Ohio women—both fighters. 2:58 in length

NBC4 at 5:30, May 23, 2016 Dublin Narcan Meeting The Dublin School Board is discussing a move to put Narcan, a drug used to reverse the effects of a heroin overdose, in all its buildings. 1:25 in length.

NBC4 at 6, June 2, 2016 Foster Mom Graduation A Columbus girl overcomes an abusive childhood to make her dreams come true. How she was able to become a success with the help of an Ohio state program for low-income students. 1:30 in length

NBC4 Midday, June 6, 2016, Knox Co Heroin Documentary A local filmmaker is now launching a campaign to help combat the heroin epidemic in Knox county. The idea is to reach teens before the addiction starts, with a film that shows the dangers of drug abuse. 2:08 in length

NBC4 at 6, April 8, 2016 I-270 Wrong Way Crash A young woman
is dead after a wrong-way crash on the outer belt overnight on the west side. A deadly wrong-way crash on Interstate-270 highlights a problem on Columbus freeways. 1:30 in length

NBC4 Today, April 12, 2016 Pickup Crash Test Rating The Insurance
Institute for Highway Safety released its most recent round of crash tests overnight. Ford's 2016 F150 Super Cab earned the top safety rating. : 30 in length

NBC4 Today, April 20, 2016 Mitsubishi Mileage Tests The car you drive
might not get the kind of mileage you think it does. Mitsubishi Motors says its employees changed the data on mileage tests. The tests involved nearly 200,000 of the company's light passenger cars. : 30 in length

NBC4 Today, May 2, 2016 Bus Service to Port Columbus Central Ohio
Transit Authority (COTA) passengers can now board a bus downtown with direct service to Port Columbus. The "Air Connect" runs every half-an-hour and makes stops at hotels, as well as the Convention Center. : 30 in length

NBC4 Midday May 2, 2016 Marconi Garage Closing Parking in
downtown Columbus is about to get even tighter. Our partners at Columbus Business First report the parking garage at 170 Marconi Boulevard is set to close. The four-level facility has more than 600 spaces. Right now it's unclear what is planned for the property. : 20 in length

NBC4 at 11, May 2, 2016 Airport Bus Service vs Taxis Out-of-town
visitors now have a new option to get from the airport to Downtown Columbus. The new “Air Connect”
service is now running, but at \$2.75 each way, some Columbus cab drivers say it is cutting into their
business. 1:57 in length

NBC4 at 5, May 11, 2016 Interstate-71 Crash A truck driver
drove off the side of the highway into the median then overturned, snarling traffic for hours on Interstate-
71. 1:10 in length.

NBC4 at 5:30, May 11, 2016 PACE Car Program Columbus city
leaders launched a new program called the PACE Car program in hopes of encouraging drivers to set the
pace in their neighborhoods by driving the posted speed limits. 1:50 in length.

NBC4 Midday May 12, 2016 South Columbus Dangerous Intersection For those of you
living the south side, you may have noticed an increase in crashes at the intersection of US-23 and
Rathmell Road. The posted speed limit there is 50 miles per hour, but many drivers have reported others
going 60 even 70 miles per hour through that intersection. : 50 in length

NBC4 at 6, May 13, 2016 Race for the Cure Road Closures Thousands of
people will take to the streets of downtown Columbus in the fight against cancer tomorrow morning for the
Susan g Komen race for the cure. The 5-K race starts at 8:45am, and there are going to be some street
closures. Broad Street between High and Third streets actually just closed about 15 minutes ago. At 5 am,
High Street between Broad and Town streets will close, as will Front Street between Broad and Spring.
: 45 in length

NBC4 at 11, May 17, 2016 Port Columbus Air Travel Delays While there are
no long lines at the Ttransit Security Authority (TSA) checkpoints at Port Columbus, passengers may
experience delays when they come back. Travel at the airport is up 9% from last year, but the TSA says
wait times are 10 minutes or less. 1:40 in length

NBC4 Today, May 19, 2016 Travel Tips Update Embattled Transit
Security Authority (TSA) officials will address the upcoming travel season later this morning. Agents will
talk travel tips and demonstrate how banned items slow down the screening process. : 30 in length

NBC4 Today, May 21, 2016 Interstate-71 S Deadly Crash A terrible
accident late last night has a major Columbus highway still closed this morning. It happened on Interstate-
71 southbound at East Main St., just before Interstate-670. 1:30 in length

NBC4 Midday, May 22, 2016 State Trooper Blitz Law enforcement
officers across the Buckeye State are cracking down on distracted driving. With Memorial Day kicking off
the summer travel season next weekend, it’s more important than ever. NBC4’s Marcus Thorpe explains
the blitz to stop deadly crashes in problem areas. 2:11 in length

NBC4 Today, June 16, 2016 Air Traffic Control Delay More problems at
America’s airports: a shortage of air traffic controllers could mean even more delays for travelers. The
problem mostly stems from a 2013 hiring freeze. : 20 in length

NBC4 at 6, June 16, 2016 Pride Road Closures: There are going
to be some road closures for the Pride Parade and events this weekend, and a few of them are already in
place. : 30 in length

NBC4 Today, June 21, 2016 Dublin Crash Ramp We continue to
follow breaking news in Dublin that could affect your drive to work, this morning, especially those of you
heading to Marysville. Overnight, a tractor-trailer crashed and lost its wheels on the ramp from I-270 North
to 33-West. : 25 in length

NBC4 at 6, June 21, 2016 Columbus Smart City Money Columbus is the winner of multimillion dollar grant to help develop the rush hour of the future. City leaders learned today the city won a \$40 million grant from the federal government to help test ideas such as self-driving cars, connected vehicles and other technology to make travel safer and more reliable. The city will receive another \$10 million grant from Vulcan after beating out six other cities in the smart city challenge. : 30 in length

NBC4 at 11, June 23, 2016 Freeway Drive Sinkhole A sinkhole in north Columbus partially swallowed a pickup truck. High water overnight washed out part of the road, creating a large sinkhole. The city has not said how long it will take to make repairs to Freeway Drive. :16 in length
