Topic Holistic Wellness Through Dance and Yoga

Issues Covered Health/Medicine

Show Summary Gustavo Sumi is a professional dancer, holistic yoga instructor and myofascial release stretch master, looking to help others in need while engaging and motivating all throughout a valuable mind and body work of art. After discovering his love of dance at age 7, Gustavo hasn't stopped moving since. He has perfected his craft by immersing himself in the world of ballet, jazz, theatre and modern dance in arenas from Miami to Los Angeles. Gustavo has trained with some of the best in the business including Dancing with the Stars, TEDx, MTV and Jennifer Lopez. He uses his high energy and upbeat personality to motivate his students to activate their mind, body and spirit and unlock their inner strength and potential. Gustavo incorporates the philosophy and healing power of Yoga, Tai Chi and Stretch Massage Therapy to produce a well-rounded and restorative workout that reaps the most benefits for his students. He aims to create a fun, safe environment that will inspire clients to make the lifestyle choices that will best help in achieving their goals.
