AFTER AIRING OF BROADCASTS:

Attach invoices or Schedule Run Summary to this Form showing:

- (1) actual air time and charges for each spot;

- (3) the amount of rebates given (identify exact date, time, class of broadcast and dollar amount for each rebate), if any.

Note: Because the FCC requires that the political file contain the actual time the rate for spots "communicating a political matter of national importance" air, that information should be included in the file as soon as possible. If that information is only generated monthly, the file should include the name of a contact person who can provide the times that and rates for specific spots aired. The FCC's online political files include a folder for "Terms and Disclosures." NAB suggests that, for stations subject to the online public file rule, the names of contact person(s) be placed in that folder.

Republican Party/Polk County :60 October 2018

Hello again, Americans, this is J C Martin, chairman of the Polk County Republican Party. You know, a lot of folks in past days would always say that the Republican Party and the Democrat Party are the same thing. Well, this message is for my neighbors that are Democrats, or if don't belong to a party. If you've even turned on a TV in the past week you know that there is a difference now, with the Democrat Party and the Republican Party. The Democrat Party has really become a radical and some would say Socialist party. We're the Republican Party of Polk County and we want you to add your voice to ours, and join us. We love America, we love our neighbors, we cherish our veterans and the men and women who defend our country. We support our law enforcement, be they federal, state or local. Since its founding, the Republican Party has believed in equal opportunity for all, along with equal responsibility. In the future, when your children or grandchildren ask you about these times, will you tell them you stood up for America, and joined the Republican Party?

Paid for by the Republican Party of Polk County.
