Re: Exemption from Compliance with Children's Television & Closed Captioning Programming
Laws – 2nd Quarter (April 1, 2017 to June 30, 2017)

Dear Ms. Browne:

We are writing in response to your previous request to certify compliance from Capital District Regional Off-Track Betting Corporation (Capital OTB) with the Children's Television Act of 1990 and the closed captioning requirements of the Telecommunications Act of 1996 and the Federal Communications Commission rules implementing these Acts.

Background

Capital OTB Network can be seen in the Capital Region on Time Warner's Cable Channel 8.2/1250. The network displays live horseracing and race replays as well as horseracing related information and programming. This programming can be seen virtually 24 hours a day, seven days per week. The Capital OTB Network is exempt from the requirements of the Children's Television Act of 1990 and the Closed-Captioning requirements of the Telecommunications Act of 1996.

Exemption from requirements of the Children's Television Act of 1990

On April 9, 2007 a representative of the Federal Communications Commission confirmed to a Capital OTB representative that cable networks are not required to air children's programming. Therefore Capital OTB is exempt from airing programming in response to the Children's Television Act of 1990.

Exemption from Closed-Captioning requirements of the Telecommunications Act of 1996

Capital OTB also maintains that we are exempt from providing closed-captioning per Section 79.1(d) (12) of the Federal Communications Commission's rules of Exemptions from Closed Captioning, which states the following:

Channels producing revenues of under \$3,000,000. No video programming provider shall be required to expend any money to caption any channel of video programming producing annual gross revenues of less than \$3,000,000 during the previous calendar year other than the obligation to pass through video programming already captioned when received pursuant to paragraph (c) of this section.

June 26, 2017

Page 2

Capital OTB defines gross revenue as monies generated from commercial advertisements appearing on Capital OTB Network. Under this enclosed definition, Capital OTB Network produces annual gross revenues well under \$3,000,000. Based upon the above rule and criteria the Capital OTB TV Network is exempt from providing Closed Captioning.

Please accept this letter as Capital OTB Network's exemption from the Children's Television Act of 1990 and the closed captioning requirements of the Telecommunications Act of 1996 for the 2nd Quarter (April 1, 2017 – June 30, 2017). A similar letter of exemption will be filed upon request for each quarter of the calendar year.

Sincerely,

Robert J. Dantz

Children's Television Act Certification

Dear Affiliate:

This letter is intended to assist you in satisfying your obligations under the Children's Television Act of 1990 (the "CTA") and the FCC regulations relating thereto in connection with your carriage of our video programming services (the "Discovery Networks").

The attached schedule lists the Discovery Networks that aired children's programs (as defined in the CTA) last quarter and identifies the children's programs aired on each such network. The schedule excludes all networks distributed by Discovery that did not air children's programs last quarter (Discovery Channel, TLC, Animal Planet, Investigation Discovery, Destination America, Science, American Heroes Channel (formerly Military Channel), Discovery En Español, Discovery Life Channel (formerly Discovery Fit and Health) and Velocity).

Discovery Communications, LLC certifies that, as standard practice, the children's programs identified on the attached schedule are formatted so that the total commercial time (including local ad avails) is no more than 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays. This is in compliance with the CTA and the rules and regulations of the FCC.

We trust that this enables you to satisfy your obligations under the CTA and its regulations in connection with your carriage of the Discovery Networks. Please forward this letter (or copies) to any other appropriate individual(s) in your organization. As always, we appreciate your support.

Sincerely,

DISCOVERY COMMUNICATIONS, LLC

RE: Jewelry Television Children's Programming Certification –2nd Quarter 2017

This is to certify that the list set forth below identifies all programs and series aired by Jewelry Television during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC").

None of the following programs or series included any commercial spots including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour that contained reference to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the reference calendar quarter are explained in detail below. I further certify that I have been designated by Jewelry Television as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.

Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. ("QVC"), during the calendar quarter ending June 30, 2017:

1) provided closed captioning services on its QVC Service, QVC Plus and Beauty iQ delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC");¹ and

2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of QVC's programming during such quarter constituted "children's programming" as defined by Section 76.225 or 73.670, as applicable, of the FCC's rules, and, therefore, none was subject to the commercialization limits imposed on children's programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children's programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Please be advised that because the CALM Act certification and the certification for adherence to the closed captioning quality "Best Practices" for Video Programmers (47 C.F.R. § 79.1(k)(1)) are required to be "widely available" in accordance with FCC rules, we have posted those certifications on the website of our subsidiary, Affiliate Distribution & Mktg., Inc. Accordingly, you may find our CALM Act and closed captioning quality certifications at <http://www.adm.qvc.com/forms.html>.

RE: Compliance for the Children's Television Act of 1990 for Turner's entertainment networks, 2nd Quarter (April 1 - June 30, 2017)

Dear Ms. Browne:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 (the "Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Per your request of June 14, 2016, on behalf of Time Warner Cable, I am submitting these certifications from Turner Broadcasting for its Cartoon Network and Boomerang networks for this quarter.

Please note that the Act's advertising limits are inapplicable to hTV, Infinito, TBS, TNT, truTV and Turner Classic Movies as these networks do not carry "children's programming" as defined under the Act. If there are any changes in the programming policies of these networks, we will provide you with the updated certifications reflecting such changes.

If any questions, please feel free to contact me.

Sincerely,

**CARTOON NETWORK
CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS
FOR CHILDREN'S PROGRAMMING**

I, Toni Millner, in my capacity as Assistant General Counsel and Vice President – Kid Vid Compliance for Turner Broadcasting System, Inc. (“Turner”), hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from April 1, 2017, to June 30, 2017:

- 1) I am familiar with the statutory limits of the Children’s Television Act of 1990 (the “Act”) and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children’s programming* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) Turner treated all of the programs telecast on Cartoon Network, a leading ad-supported cable television network, as “children’s programming” for the purposes of the commercial limits set forth in the Act except for its telecast in the “Adult Swim” block of programming created for an adult audience that airs late night seven days a week.** On a weekly basis, therefore, approximately 98 hours of television programming were treated as “children’s programming” for the purposes of the commercial limits set forth in the Act.
- 3) Turner has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) During this period, there was one incident in which the amount of commercial matter broadcast during children’s programming exceeded the statutory limits by approximately 30 seconds due to an unintentional human error. A detailed account of the commercial matter “overage” occurring on Sunday, April 23, 2017, is included in Exhibit I.
- 5) Turner regrets this incident, which we have proactively investigated and reported. Turner will continue to work to identify ways to improve our KidVid compliance procedures. Moreover, we urge that this incident be viewed in the context of the large amount of children’s programming (approximately 98 hours per week) that Cartoon Network has telecast during this period in compliance with the KidVid rules and regulations.

Certified by me this 6th day of July, 2017.

Toni Millner
Assistant General Counsel and
Vice President - Kid Vid Compliance
Turner Broadcasting System, Inc.

* “Children’s programming” for the purposes of the commercial limit means “programs originally produced and broadcast primarily for an audience of children 12 years and under.”

**During this period, the “Adult Swim” block of programming aired from 8 p.m. to 6 a.m., 7 nights a week. The Adult Swim block contains regular warnings to notify and remind viewers that the content is intended for an adult audience, and is not considered “children’s programming” subject to the commercial limits set forth in the Act.

Exhibit 1

On Sunday, April 23, 2017, there was an incident in which an employee working within Turner's Broadcast Operations Center ("BOC") made an unintentional mistake that resulted in a 30-second time overage in the commercial time limits on Cartoon Network in the hour between 10-11 a.m.

A BOC employee was handling a weekend request from ad sales to change a previously scheduled commercial spot. Under normal procedures, the request to make the change to the scheduled on-air play list would be routed through a proprietary online ticketing system and process that helps ensure appropriate ad insertions and timing adjustments are made, but due to a software glitch, the BOC employee was forced to make a manual adjustment. The employee mistakenly inserted the newly requested 30-second commercial without removing another 30-second commercial. As a result, Cartoon Network inadvertently increased the amount of commercials to 11 minutes of advertising and exceeded the hour's commercial time limits by 30 seconds during this period.

Turner appreciates the importance of the KidVid rules and procedures, but the BOC operator simply made a mistake. In addition to the KidVid training materials made available to the BOC employees, Turner has provided the BOC employee a reminder to exercise care to ensure that any time adjustments during children's programming take into account the commercial time limits.

- 2) The FCC Rules require cable operators to maintain certain records regarding their compliance with the advertising limits imposed on children's television programming. These advertising limits and compliance reporting obligations do not apply to cable networks that do not carry "children's programming" as defined under the Act.
- 4) To the best of my information, knowledge, and belief, no "children's programming" has been telecast on NBA TV in the past quarter, nor is scheduled to be shown in the foreseeable future.
- 5) If there are any material changes in the programming policies of the television network so that children's programming is telecast on NBA TV (or in the event that the reporting obligations under the FCC Rules are changed), notice and updated certifications reflecting such changes will be provided.
