Re: Children's Programming Certification

Dear Kyle:

This letter is in connection with the Children's Television Act of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

As requested, this will confirm that for the second quarter of 2018, Game Show Network, LLC certifies that the GSN Network is in compliance with the commercial content restrictions of the Act.

Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. ("QVC"), during the calendar quarter ending June 30, 2018:

1) provided closed captioning services on its QVC, QVC2 and Beauty iQ services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC"); and

2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of QVC's programming during such quarter constituted "children's programming" as defined by Section 76.225 or 73.670, as applicable, of the FCC's rules, and, therefore, none was subject to the commercialization limits imposed on children's programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children's programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Please be advised that because the CALM Act certification and the certification for adherence to the closed captioning quality "Best Practices" for Video Programmers (47 C.F.R. § 79.1(k)(1)) are required to be "widely available" in accordance with FCC rules, we have posted those certifications on the website of our subsidiary, Affiliate Distribution & Mktg., Inc. Accordingly, you may find our CALM Act and closed captioning quality certifications at <http://www.adm.qvc.com/forms.html>.

RE: Certifications of Compliance, Children's Television and Closed Captioning Rules 2nd Quarter (April 1, 2018 to June 30, 2018)

Dear Mr. Zack,

Please accept this letter as written certification warranting The Korean Channel's compliance with the Children's Television Act of 1990 and the closed-captioning requirements of Section 713 of the Communications Act, and the Federal Communications Commission rules implementing these acts. The Korean Channel does not carry children's education programming on our broadcasting television and we do not provide Closed-Captioning service.

From what I understand, we are exempt from this requirement because we were below \$3mm of revenue during the past calendar year, however, we do currently provide subtitles for approximately 70% of our programming.

Please let me know if there are additional steps we need to take to be compliant.

RE: Compliance for the Children’s Television Act of 1990 for Turner’s entertainment networks, 2nd Quarter (April 1, 2018 – June 30, 2018)

Dear Mr. Zack:

As of January 1, 1992, the Federal Communications Commission’s rules (“FCC Rules”) implementing the Children’s Television Act of 1990 (the “Act”) require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children’s television programming. Per your request of June 14, 2016, on behalf of Time Warner Cable, I am submitting these certifications from Turner Broadcasting for its Cartoon Network and Boomerang networks for this quarter.

Please note that the Act’s advertising limits are inapplicable to TBS, TNT, truTV and Turner Classic Movies as these networks do not carry “children’s programming” as defined under the Act. If there are any changes in the programming policies of these networks, we will provide you with the updated certifications reflecting such changes.

If any questions, please feel free to contact me.

Sincerely,

**Re: Certifications of Compliance, Children's Television and Closed Captioning Rules
2nd Quarter (April 1, 2018 to June 30, 2018)**

To Whom It May Concern:

I am writing to request certifications from TV Korea to ensure Charter's compliance with its record keeping obligations as a cable operator under the Children's Television Act of 1990, and to ensure that Charter is in compliance with the closed captioning requirements of Section 713 of the Communications Act, and the Federal Communications Commission ("FCC") rules implementing these acts. Please note that this request covers Charter systems, as well as legacy Time Warner Cable systems and Bright House Networks systems.

Children's Television Act of 1990

FCC rules require Charter to place programmer certifications in its files to demonstrate compliance with regulations imposing commercial limits in children's programming for the quarter April 1, 2018 to June 30, 2018 ("second quarter") by the 10th day of the month following the calendar quarter, i.e., by **July 10, 2018**. See 47 C.F.R. §§ 76.225 and § 76.1703 As such, please have the appropriate officer of your company (a) review your network's children's programming practices for the first quarter, and (b) submit a certification affirming the network's compliance with the rules imposing commercial limits on children's programs during the first quarter. Please use the enclosed certification form and submit the certification on your network's letterhead along with a detailed explanation of any instance in which your programs exceeded the limits on commercial time. Please note that if you provide any children's programming, FCC rules require your company to identify the children's programs that were transmitted during the past quarter. If you believe your network is exempt from this requirement or does not offer children's programming, or if your network has already sent a first quarter certification, or posted its first quarter certification on-line, please so indicate in your response.

Closed Captioning

FCC rules require non-exempt video programming transmitted by Charter cable systems to include prescribed amounts of closed captioning on each channel during each calendar quarter and establish a programmer certification for demonstrating compliance. *See* 47 C.F.R. § 79.1(b). In addition, FCC rules require distributors to exercise best efforts to obtain certifications from video programmers stating that non-exempt programming is in compliance with the FCC's caption quality standards. *See* 47 C.F.R. § 79.1(j). Your program affiliation agreements require your network to comply with governing FCC requirements. Accordingly, Charter hereby requests that your network certify that during the second quarter of 2018 it satisfied the FCC's rule requiring prescribed amounts of non-exempt programming to be captioned, including for any linear, on-demand, standard-definition and or high-definition format in which your network is transmitted. In addition, if you have not already done so Charter is requesting that your company certify that it is in compliance with the FCC's captioning quality rules. For your convenience, attached hereto is a captioning certification form that you may choose to utilize for your network. Please note that the FCC has adopted rules (not yet effective) that will require such certifications to be filed directly with the FCC. Until these new rules become effective, your company should continue to send certifications to Charter directly.

CALM Act

Commercial advertisements embedded in programming transmitted by Charter must be in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85 RP. Charter is requesting that your company provide Charter a copy of your company's widely available certification of compliance with ATSC A/85 RP with respect to commercial programming. If you have not previously provided Charter with a one time CALM Act certification please provide us with a copy. For your convenience, attached hereto is a CALM Act certification form that you may choose to utilize for your network.

Upon completion of the certifications, please provide copies to me, at the address listed above. If you have already sent a first quarter certification to Charter, or have posted your certifications online, please so indicate in your response along with a working link to any online filing.

Sincerely,

Kyle Zack
