Re: Must-Carry Election for KQSL, Fort Bragg, CA, located in the San Francisco-San Jose DMA
VIA CERTIFIED MAIL – RETURN RECEIPT REQUESTED

James Penney, Executive VP
WaveDivision Holdings, LLC
401 Kirkland Parkplace, Suite 500
Kirkland, WA 98033

Dear Mr. Penney:

One Ministries, Inc. (OMI) requests carriage pursuant to Section 76.55(c) of the FCC's rules for KQSL Channel 8 licensed to Fort Bragg, CA, and assigned to the San Francisco – Oakland – San Jose DMA. This request is for carriage on your cable TV system in the San Francisco – Oakland – San Jose DMA in the communities of Concord, Martinez, Pleasant Hill and Walnut Creek in Contra Costa County, California.

OMI accepts the responsibility for the costs of delivering your cable system a signal of good quality per section 76.55(c)(3) of the Commission's rules. Construction of OMI's translator station at Sutro Tower is commencing, so it would be convenient for us to provide an ASI handoff at your headend at Sutro Tower. Also, OMI's translator station KQSL-LD atop Mt. Tamalpais in Marin County provides coverage of KQSL through most of the San Francisco Bay TV market and can easily be received off the air.

OMI request coverage either in SD or HD or both on your system, whatever is convenient for you. Also, we request a channel that is in the vicinity of other broadcast stations.

KQSL can be seen on Dish Network, DirecTV and ATT U-Verse throughout the San Francisco Bay area. Also, Comcast has recently begun carrying KQSL, and San Bruno Cable has agreed to start carrying KQSL as well.

KQSL broadcasts news and local weather each weekday from noon to 1PM.

KQSL also broadcasts the following local programming to the San Francisco Bay area:
