Dear Mr. Siskind:

One Ministries, Inc. (OMI) requests carriage pursuant to Section 76.55(c) of the FCC's rules for KQSL Channel 8 licensed to Fort Bragg, CA, and assigned to the San Francisco – Oakland – San Jose DMA. This request is for carriage on your cable TV system in the San Francisco – Oakland – San Jose DMA in the communities of San Francisco, Burlingame, San Mateo, and Redwood City. These communities constitute the West Bay communities served by Wave Broadband. This is for the remaining portion of the current election period through the end the year 2020.

OMI accepts the responsibility for the costs of delivering your cable system a signal of good quality per section 76.55(c)(3) of the Commission's rules. OMI will provide an HD quality signal via ASI handoff at your headend at Sutro Tower in San Francisco.

OMI request coverage either in SD or HD or both on your system, whatever is convenient for you. Also, we request a channel that is in the vicinity of other broadcast stations.

KQSL is currently carried on your East Bay system on channel 98 for the communities of Concord, Martinez, Pleasant Hill and Walnut Creek in Contra Costa County, California.

Sincerely,

Keith J. Leitch
President, One Ministries, Inc.
