Quarterly Issues/Programs List

KKED provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

POLITICAL: Former president Trump is in the news with his campaign for presidency, and Alaska is a red state so this generates much discussion. Congresswoman Mary Peltola will be running to retain her seat this year, along with other State Senate and State House seats that are up for reelection.

ECONOMY: The PFD was distributed in early October, totaling \$1,300 per Alaskan resident. This brings a major boost to the economy each year. Heating oil prices are at an all-time high which is a major topic throughout the winter.

PUBLIC HEALTH: Mental health concerns are prominent throughout Q4, with the focus on young adults and the negative consequences of isolation & quarantining the past few years. There has been a notable increase in Opioid and Fentanyl cases including deaths among young Alaskan adults.
