Quarterly Issues/Programs List

KKED provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

COVID-19: The focus was on vaccine rates, and then the surge of the new variant, Omicron. Alaskans are encouraged to get their vaccine boost for all adults 12+, the 56% vaccination rate of Alaskans was in the news, with the focus on raising the vaccine percentages with an emphasis on the booster.

PUBLIC HEALTH: The most prominent public health issue was the COVID-19 and the new Omicron variant. Hospitals were reaching max capacity, and mandates went out for companies with more than 100 employees to mandate the vaccine by January, 2022. Mental health continues to be addressed throughout Q4, with the focus on telecom counseling services.

EDUCATION/SCHOOL DISTRICT: The school district continues to teach in classroom, with a mask mandate, throughout Q4, 2021. The decision was made to lift the mask mandate for the spring semester starting in January, 2022
