KKED provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

COVID-19: The focus was on the vaccine & vaccine rates. Alaskans are encouraged to get vaccinated for all adults, 12+ - there are available appointments throughout April, May and June for the vaccine.

PUBLIC HEALTH: The most prominent public health issue was the COVID-19 vaccine rollout. Mental health was also highlighted throughout Q1 with the focus on telecom health services.
