

Public Affairs Programming – 4th Quarter 2022

October 12th, 19th, 26th & November 2nd, and 9th – Coos County Sheriff's K9 Fundraiser –

In an interview we talked with Jill Ras. The Coos County Sheriff's Office K9 Department is not funded by the taxpayers in the county which means it is reliant on community support.

Currently, the sheriff's department has two K9's - Raven, and Cena. The program itself has proven to be important with the need in our area. The biggest fundraiser the K9 program does is this one, which allows attendants to watch a family friendly movie, bid on silent auction items and ask questions of the K9 handlers. Another thing the program does is apply for grants. Currently a grant going on right now is called Aftermath. Supporters can go to the Aftermath Facebook page and website and vote for their favorite K9. The K9 program had the chance to win up to \$2500. **Total: 1 Hour**

December 3rd –The 21st Annual Rotary Bus Jam is a toy and food drive that helps provide food and Christmas to families in Coos County and Reedsport areas. The purpose of the event is to stuff the bus with toys and food that is provided to families before Christmas. Bus Jam is the largest toy and food drive on the Oregon Coast. Communities in Coos Bay, North Bend and Bandon rallied together to try and raise not only funds but toys and food to provide for members of our community. This year over 700 families signed up for the toy distribution. Poverty is a big issue in our area and affects many. This years' collection was down however with the cash donated over 1000 kids were able to open a present on Christmas Day. The left-over money was then donated to South Coast Food Share which can convert one dollar to seven pounds of food. The food collection while down was still over 100 thousand pounds of food that was distributed to food cupboards throughout Coos County and Reedsport. **Total: 5 hours**

December 15th, 21st & 28th - The Devereux Center – Tara Johnson the Executive Director of the Devereux Center in an interview with Lexi talked about what it is the center provides to the community. The Devereux Center is a non-profit organization that offers support systems and advocacy for the homeless, veterans and those suffering from Mental Illness. Currently, the center provides services, like showers, laundry and more on Monday, Tuesday, Wednesday, and Friday from 9 AM to 2 PM. The Center provides meal for free. In partnership with other organizations the center has a waffle brunch to their clients on Thursdays. According to Johnson, in 2022 the center provides over 15-thousand services and over 20-thousand meals. The center also has multiple arms, that includes the Coalbank Village on the south end of Coos Bay. The Village is a pilot program that provides temporary house in pallet houses for those in need. This allows for those heading back into the workplace a location to stay and according to Johnson is quite successful. They also recently opened a thrift store to help offset the costs of running the center and provide services to those in need. The final arm of the Devereux Center is the Warming Center. The warming center opens when evening temperatures dip below 36 degrees. The purpose of the warming center allows for the houseless a place to gather inside and provides a place to rest and eat a warm meal. This is especially important this time of year. **Total: 1 Hour**

Weather – K-DOCK has a long track record of keeping the community informed when it comes to weather. During the colder months our area gets a lot of odd weather patterns where it is extremely cold, raining and extremely windy. When we have weather hazards our station talks about it. Especially because we live so close to the ocean, there are people who travel out to the beaches without knowing the dangers that are potentially there. This year we

had King Tides multiple times and as a precaution we announced those to our listeners. While there are tons of ways to get information in our area, we continue to be informative, and a place people go when the weather is temperamental. **TOTAL: 1 Hour**

Small Business Development Center School of Rock - The SWOCC Small Business Development Center is part of the Oregon SBDC Network that provides practical information and services for business success. The Center offers training for businesses from getting started right through planning an exit strategy. John Bacon with the SBDC relates business successes in a way that most people understand by using bands that we play on our station. John Bacon Talked about the Blues and how it is a mending of multiple genres. Interviews with many bands it all came down to the same thing, if you don't know the blues then you can't start creating something else. The blues and rock and roll are one in the same. The same could be said about the area we live in today. Our area was built by many with very little. The industries of timber, fishing and chip terminals all boomed in this area. Once created the waterfront was filled with terminals to export from our port. They were everywhere. Our area was built by people from all over to create jobs support businesses and an opportunity to call our area home. While the industries have changed the same drive is still here. **TOTAL: 2 Hours**

The Small Business Development Center Business School of Rock plays on K-DOCK Tuesdays and Thursdays between 10 AM & 1 PM as well as 3 PM & 6 PM.

Blues Roots – Remember Who You Are 10/4/2022

Led Zeppelin - Whole Lotta Love 10/11/2022, 10/13/2022

Van Halen – Reinvention 10/18/2022, 10/20/2022

Black Crowes - 12/27/2022, 12/29/2022

KDCQ FM ISSUES//PROGRAMS

Time Period/Date October- December (Public File 4th Quarter) Topic: Consumers/Economic Development

DESCRIPTION

A very large part of Coos County has its economy supported by tourism. K-DOCK recognizes our unique ability to inform and reach tourists and notify them of the activities that are happening in our area during their stay. The notifications and programs listed below are a great asset to the local communities by improving attendance at these local functions.

Daily announcements for the State of Oregon Employment Office promoted the filling of open job positions for businesses and gave job seekers information about open positions and how to access the Employment Office.

KDCQ FM ISSUES/PROGRAMS

Time Period/Date: October - December (Public File 3rd Quarter)

Topic: Drug/Crime Prevention 2022

DESCRIPTION

The following important campaigns were sponsored by K-DOCK. The Women's Safety and Resource Center is an important part of our community. They offer shelter and services to victims of domestic violence and offer a variety of educational programs on the subject to help prevent this social problem from occurring.

Local law enforcement also looks to K-DOCK to help inform the public about issues for instance; the SCINT team announcements inform the public on who to call when suspicious activity occurs and the dangers of texting and driving.

KDCQ FM ISSUES/PROGRAMS

Time Period/Date October - December (Public File 3rd Quarter) Topic: Poverty/Hunger/Health Announcements

DESCRIPTION

Due to the high unemployment rate in our area, there is a great need to assist those who have been forced to do without the vital necessities of food, housing and basic medical care issues. Notifications keep the community aware of these issues locally and also function as a resource for assistance. K-DOCK assists agencies that help fight these issues by distributing their information.

KDCQ FM ISSUES/PROGRAMS

Time Period/Date: October - December (Public File 4th Quarter)

Topic:Youth Activities & Education

2022

DESCRIPTION

Coos County has a high number of children in need of after school activities. There are a high number of single parent households or both parents must work, for this reason many children in our area need summer and after school activities. K-DOCK supports these programs and organizations, and it is evident in our community that the youth of yesterday are now contributors to our community because of some of these programs and organizations. The Boys & Girls Club is a very big supporter of the youth in our community and in turn K-DOCK supports them with production and airing of their events.

Other educational opportunities are offered around the community to all citizens for instance the library offers classes that also interest parents and other adults. These types of functions are beneficial to the community and K-DOCK supports their efforts.

KDCQ FM ISSUES/PROGRAMS

Time Period/Date: October – December (Public File 4th Quarter) Topic: Environmental Issues 2022

DESCRIPTION

Due to our geographical location, which is prone to earthquakes and with them a very large threat of tsunamis. It is vital to get the word out to the community of potential hazards and inform our listeners of resources available to them in our unique geographic area. Fires across the state have potential to impact air quality, even in our westerly coastal areas. The new hazard of tsunami debris washing ashore since the severe earthquake and tsunami that took place in Japan in March of 2011, is a very unique issue to our coastline and education of our community members can avoid contamination or potential injury.

Another unique aspect of our community is outdoor activities. Our area offers some of the greatest parks for hiking and camping, streams and the ocean for fishing and recreation plus beautiful beaches. It is vital that we keep our listeners up to date with all issues pertaining to our environment, especially given that Oregon's wildfires contribute to air pollution.

| PROGRAM | TYPE | DATES | TIMES | LENGTH | GUEST |

KDCQ FM ISSUES/PROGRAMS

Time Period/Date October - December (Public File 4th Quarter) Topic: Hazard / Health Announcements 2022
DESCRIPTION

Our area can be plagued with hazards. It is of great importance that pertinent information be given to our listeners as soon as possible. Our live local broadcasts in the morning and afternoon give our listeners a unique opportunity to be informed of very important issues such as road hazards and delays. These local news updates during live shows also give the opportunity to announce local health issues. Informing listeners of local hazards is a K-DOCK version of "safety first".

Prescribed an opioid? Take charge of your health and ask your doctor or dentist exactly why you are being prescribed an opioid when an over-the-counter pain reliever may be enough, or, physical therapy or chiropractic care could give the same results. Extended opioid use can increase the risk of dependence and addiction. Opioids can be deadly when mixed with other drugs, especially those taken for the treatment of anxiety, sleeping disorders and seizures. Learn more go to: infoaboutopioids.com.

This has been a public service message from United Health Group, and this station.

This announcement was broadcast a total of 145 times at the dates and times coded Opioid PSA on our attached invoice number 22100075 dated 10/31/2022, as entered in the station's program log. This announcement was billed to this client at a total cost of \$1,058.50

Begin: 11/1/2022 End: 11/30/2022

Date: 11/30/2022

Prescribed an opioid? Take charge of your health and ask your doctor or dentist exactly why you are being prescribed an opioid when an over-the-counter pain reliever may be enough, or, physical therapy or chiropractic care could give the same results. Extended opioid use can increase the risk of dependence and addiction. Opioids can be deadly when mixed with other drugs, especially those taken for the treatment of anxiety, sleeping disorders and seizures. Learn more go to: infoaboutopioids.com.

This has been a public service message from United Health Group, and this station.

This announcement was broadcast a total of 115 times at the dates and times coded Opioid PSA on our attached invoice number 22110084 dated 11/30/2022, as entered in the station's program log. This announcement was billed to this client at a total cost of \$839.50

Prescribed an opioid? Take charge of your health and ask your doctor or dentist exactly why you are being prescribed an opioid when an over-the-counter pain reliever may be enough, or, physical therapy or chiropractic care could give the same results. Extended opioid use can increase the risk of dependence and addiction. Opioids can be deadly when mixed with other drugs, especially those taken for the treatment of anxiety, sleeping disorders and seizures. Learn more go to: infoaboutopioids.com.
