

Next Media Quarterly Issues Report

Next Media radio stations are involved in their communities. Management and staff regularly attempt to ascertain the most pressing issues and needs of the community, and then to present programming which addresses those issues and needs. The following list shows some of the significant issues responded to by the station noted, along with examples of programming aired to address those issues during the quarter noted. The listing is by no means exhaustive, and the order in which the issues appear does not reflect any priority or significance.
