Chief Operator Designation

It is herein posted that Stacey Brann is the designated Chief Operator of WABK-FM Gardiner, WQSK Madison, WVQM Augusta, WMCM Rockland, WQSS Camden, and WTOS-FM Skowhegan all in the State of Maine licensed to Blueberry Broadcasting LLC herein referred to as the station as defined under 47-CNFR-73.1870. The designated Chief Operator is herein charged with maintaining the operations of the station within the terms and conditions of all corresponding FCC licenses and to maintain all technical operations of the stations within the requirements of the Federal Communications Commission's rules and regulations. The Chief Operator is empowered with the necessary authority in cooperation with the Vice President & Chief Operating Officer of the station to carry out this charge.

During times when the Chief Operator is unavailable to perform the assigned duties, Daniel L. Giguere will act as Chief Operator with the same responsibility and authority as the Chief Operator. In the event that the Chief Operator and the Alternate Chief Operator is unavailable to perform the assigned duties, the designation of an interim Chief Operator will be made and posted on the Employee bulletin board.

This designation is made on January 12, 2023 and supersedes any previously made designations.

Bruce A. Biette

Vice President & Chief Operating Officer

The undersigned herein acknowledges the designation of Chief Operator and Alternate Chief Operators effective on the date noted above.
