SEGMENT 1: THE PSYCHOPATH INSIDE	Time	Duration
<p>Synopsis: Who do you think of when you read or hear the word, psychopath? Rarely does anyone think of the mild-mannered neuroscientist next door. We speak to two experts about what the term actually means in the medical world, how it's tested for in various people and why many people who have psychopathic tendencies are able to function in a non-violent, productive manner.</p> <p>Host: Gary Price</p> <p>Guests: Scott Lilienfeld, Professor of Psychology, Emory University, Atlanta, Georgia; James Fallon, neuroscientist at University of California-Irvine, author of <i>The Psychopath Inside: A Neuroscientist's Personal Journey Into the Dark Side of the Brain</i>.</p> <p>Issues Covered: psychology, mental disorder, neurology, health, education, science</p> <p>Links: http://psychology.emory.edu/home/people/faculty/lilienfeld-scott.html https://www.faculty.uci.edu/profile.cfm?faculty_id=2303 https://www.psychologytoday.com/us/basics/psychopathy https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3811089/ https://www.amazon.com/Psychopath-Inside-Neuroscientists-Personal-Journey/dp/1591846005</p>	1:47	10:25
SEGMENT 2: THE FASCINATING SCIENCE BEHIND BLACK HOLES	Time	Duration
<p>Synopsis: Black holes have always intrigued and captured the imagination of millions since they were first theorized and coined by German physicist Karl Schwarzschild in 1916. For decades, scientists have worked to learn more about these mysterious objects in space. However, even today, there's still much we have yet to learn.</p> <p>Host: Marty Peterson</p> <p>Guests: Janna Levin, professor, physics, astronomy, Barnard College of Columbia University, author, <i>Black Hole Survival Guide</i>.</p> <p>Issues Covered: science, astronomy, space, physics, history, literature, innovation</p> <p>Links: https://barnard.edu/profiles/janna-levin https://twitter.com/JannaLevin?ref_src=twsrc%5Egoogle twcamp%5Eserp twgr%5Eauthor https://www.amazon.com/Black-Survival-Guide-Janna-Levin/dp/052565822X https://physicsworld.com/a/first-images-of-a-black-hole-unveiled-by-astronomers-in-landmark-discovery/ https://www.space.com/15421-black-holes-facts-formation-discovery-sdcmp.html</p>	14:13	8:31
CULTURE CRASH: A LOOK BACK AT WHAT GOT US THROUGH 2020	Time	Duration

SEGMENT 1: THE SKETCH THAT SOLVES THE CRIME	Time	Duration
<p>Synopsis: You've probably seen a black and white portrait of a suspect displayed online, broadcasted on TV or even printed in a newspaper back in the day. But how exactly does a forensic sketch artist create such a detailed and accurate profile based off a single, hour-long witness interview? Lois Gibson, a longtime police sketch artist in Houston, joins Viewpoints this week.</p> <p>Host: Gary Price</p> <p>Guests: Lois Gibson, forensic artist.</p> <p>Issues Covered: career, art, criminal justice, crime, law enforcement, communication</p> <p>Links: http://vessionetwork.com/lois/gallery_page/gallery-full-size-previews/ https://loisgibson.com/ https://www.amazon.com/Forensic-Art-Essentials-Enforcement-Artists/dp/0123708982/ref=la_B001IZX44A_1_1?s=books&ie=UTF8&qid=1489704765&sr=1-1</p>	1:47	11:02
SEGMENT 2: THE LAW OF TREASON: ITS MODERN USE	Time	Duration
<p>Synopsis: To call someone a traitor or label an act as treasonous is a big claim. But what exactly does treason mean? What does it entail? We speak with constitutional law expert, Professor Carlton Larson about its limited use in modern courtrooms and the public's perception of the law versus its actual scope and definition.</p> <p>Host: Marty Peterson</p> <p>Guests: Dr. Carlton Larson, historian, professor, American constitutional law & legal history, University of California – Davis School of Law, author, <i>On Treason: A Citizen's Guide to the Law</i>.</p> <p>Issued Covered: law, Constitutional law, crime, politics, government, history</p> <p>Links: https://www.amazon.com/Treason-Citizens-Guide-Law/dp/0062996169 https://www.amazon.com/Spelling-Dearest-Nitty-Gritty-History-English/dp/1418453307/ https://law.ucdavis.edu/faculty/larson/ https://twitter.com/carltonfwlarson?ref_src=twsrc%5Egoogle%7Ctwcamp%5Eserp%7Ctwgr%5Eauthor</p>	14:52	7:49

SEGMENT 1: THE PANDEMIC'S PUSH ON E-COMMERCE	Time	Duration
<p>Synopsis: While many small, neighborhood stores are fighting to keep their doors open, e-commerce giants like Amazon are seeing staggering growth. In fact, 2020 was the most successful year-to-date for the company. The pandemic has forced millions to buy more items online or through curbside pick-up. So, how has this shift in shopping habits changed the retail game for good? Business journalist Lawrence Ingrassia joins Viewpoints this week to break down the evolving e-commerce landscape.</p> <p>Host: Gary Price</p> <p>Guests: Lawrence Ingrassia, former business editor, deputy managing editor, The New York Times, author, <i>Billion Dollar Brand Club</i>.</p> <p>Issues Covered: business, consumerism, retail, technology, career, workplace</p> <p>Links: https://time.com/5870826/amazon-coronavirus-jeff-bezos-congress/ https://www.forbes.com/sites/sergeiklebnikov/2020/07/23/5-big-numbers-that-show-amazons-explosive-growth https://www.cnn.com/2021/01/07/retail-trends-there-has-been-10-years-of-innovation-in-10-months-says-trade-body.html https://www.amazon.com/Billion-Dollar-Brand-Club-Disruptors/dp/1250313066</p>	1:46	8:23

SEGMENT 2: SPIES & SOLDIERS: THE WOMEN OF THE CIVIL WAR	Time	Duration
<p>Synopsis: We know so much about the men of the Civil War, but the courageous women of this time and their contributions are seldom shown in history books. Historian Karen Abbott decided to change that. She tells the story of several women who helped their respective sides during the Civil War. These women were not just nurses and aides, but endearing female soldiers and spies disguised and embedded in the fight.</p> <p>Host: Marty Peterson</p> <p>Guests: Karen Abbott, historian, author, <i>Liar, Temptress, Soldier, Spy</i>.</p> <p>Issues Covered: history, war, Civil War, gender roles, government, politics</p> <p>Links: https://www.amazon.com/Liar-Temptress-Soldier-Spy-Undercover/dp/0062092901 https://www.archives.gov/publications/prologue/1993/spring/women-in-the-civil-war-1.html https://www.history.com/topics/american-civil-war/women-in-the-civil-war</p>	12:11	10:40

SEGMENT 1: A PANDEMIC EDUCATION: IT CONTINUES ON INTO 2021	Time	Duration
<p>Synopsis: It's been ten months since many schools across the nation shifted to online learning. Students, parents and everyone working within education have braved the many challenges of learning within a pandemic. With vaccine distribution underway, many within the field are seeing the light at the end of the tunnel and the eventual return to classrooms hopefully later this year. We speak with two education experts about the changes happening in the field as technology plays a bigger role.</p> <p>Host: Gary Price</p> <p>Guests: Taylor Good, 3rd Grade Teacher, Manheim Township School District; Trenton Goble, former teacher and principal, vice president, K-12 product strategy at Instructure, author, <i>Reclaiming the Classroom: How America's Teachers Lost Control of Education and How They Can Get It Back</i> .</p> <p>Issues Covered: career, technology, child development, COVID-19 Pandemic, mental health</p> <p>Links: https://www.teachforamerica.org/teacher-resource-hub/virtual-learning-resources https://www.instructure.com/ https://twitter.com/taylorbgood https://www.reviewjournal.com/business/fewer-people-will-celebrate-halloween-but-some-still-going-all-out</p>	1:47	10:01
SEGMENT 2: THE COMPETITIVE NATURE OF TODAY'S YOUTH SPORTS	Time	Duration
<p>Synopsis: The world of youth sports can be incredibly stressful. Long practices, hefty investments and increasingly selective teams can add up to parents pushing their kids to the brink. We speak with Rich Cohen, a hockey dad, about the modern pressures of the competitive sport and why some parents end up caring more about the sport than their own kid does.</p> <p>Host: Marty Peterson</p> <p>Guests: Rich Cohen, hockey dad, author, <i>Pee Wees: Confessions of a Hockey Parent</i> .</p> <p>Issues Covered: youth sports, parenting, child development, education, psychology</p> <p>Links: https://www.nytimes.com/2021/01/12/books/review/pee-wees-rich-cohen.html https://www.purehockey.com/c/youth-hockey-levels-explained https://us.macmillan.com/books/9780374268015</p>	13:45	9:15
CULTURE CRASH: THE ABUNDANCE OF MIDDIOCRE MEDIA ON STREAMING PLATFORMS	Time	Duration
<p>Synopsis: When scrolling through streaming sites like Netflix, Disney+ Amazon Prime or Hulu, the number of movies and shows can feel endless. But, how many of these originals are really worth the watch? Shouldn't the focus be more on quality rather than quantity?</p> <p>Host: Evan Rook</p> <p>Issues Covered: culture, streaming, films</p>	24:00	2:26

SEGMENT 1: FORCED BEHAVIORAL TREATMENT PROGRAMS

Time Duration

Synopsis: Each year, thousands of young adults are sent to long-term, in-patient behavioral centers that are seen as the last resort for troubled teens. Their parents often sign off on this treatment because they believe that this 'tough love' route is the only answer to turning things around. Journalist and author, Kenneth R. Rosen joins Viewpoints this week to share his own adolescent experience at three of these centers and the long-term damage this type of treatment can wreak on young minds.

SEGMENT 1: A SHIFTING SUBURBIA: THE IMPACT OF COVID-19	Time	Duration
<p>Synopsis: Congested roads. Crumbling parking lots. Vacant strip malls. These are some of the challenges that suburbs across the country are facing today. What to do with the vacant retail and office space? How do you make people less dependent on cars and more active? Architect June Williamson is a proponent of mixed-use developments that create more efficient suburbia. This vision creates a 15-minute suburb where basic amenities and activities are walkable, and spaces bring people together rather than dividing them with large, empty lawns, lots and physical structures.</p> <p>Host: Gary Price</p> <p>Guests: June Williamson, architect, associate professor of architecture, City College of New York, co-author, <i>Retrofitting Suburbia: Urban Design Strategies for Urgent Challenges</i>.</p> <p>Issues Covered: suburban design, architecture, infrastructure planning, community, health</p> <p>Links: http://nytimes.com/2020/10/16/realestate/suburbs-are-changing.html https://ssa.cuny.cuny.edu/blog/people/june-williamson/ https://twitter.com/williamson_arch?lang=en https://www.amazon.com/gp/product/B08SJ9T9M8/ref=dbs_a_def_rwt_hsch_vapi_tkin_p1_i0</p>	1:47	8:39

SEGMENT 2: THE ARCTIC THEN VS. NOW	Time	Duration
<p>Synopsis: Over the last two decades, Arctic melt has increased by about 60 percent. It's estimated that if all of the glaciers and ice caps were to disappear into the ocean, sea level would rise by 230 feet, wiping out all of the coastal cities and towns around the globe. Journalist and author, Andrea Pitzer shares the history of Arctic exploration and how the landscape has changed over time – but not for the better.</p> <p>Host: Marty Peterson</p> <p>Guests: Andrea Pitzer, journalist, author, <i>Icebound: Shipwrecked at the Edge of the World</i>.</p> <p>Issues Covered: climate change, global exploration, history, environment, wildlife</p> <p>Links: https://www.theguardian.com/us-news/ng-interactive/2020/oct/13/arctic-ice-melting-climate-change-global-warming http://nsidc.org/arcticseaicenews/ https://www.theguardian.com/science/2021/feb/17/arctic-heating-winter-storms-climate-change https://twitter.com/andreapitzer?ref_src=twsrc%5Egoogle twcamp%5Eserp twgr%5Eauthor https://www.amazon.com/gp/product/B08BZVWY4Q/ref=dbs_a_def_rwt_hsch_vapi_tkin_p1_i0</p>	12:29	9:47

CULTURE CRASH: WATCHING PERFORMANCE ART FROM YOUR SOFA	Time	Duration
<p>Synopsis: Before the pandemic there weren't so many concerts, theatre performances and other arts available to watch from your living room TV. While the last eleven months have been tough on the industry, it's allowed more people to gain access to shows that they otherwise couldn't afford or travel to. Take Hamilton for instance. We discuss some of our favorite picks available to stream now.</p> <p>Host: Evan Rook</p> <p>Issues Covered: theatre, culture, streaming, art</p>	23:16	3:11
