MY NAME IS DOCTOR HUGUY NASSERY, I'M A FAMILY DOCTOR HERE IN ATLANTA, GEORGIA.

MY NAME IS KAREN KINSEL, I'M A PRIMARY CARE INTERNAL MEDICINE PHYSICIAN IN CLAY COUNTY GEORGIA

WE HAVE A CRISIS IN THIS STATE PARTICULARLY IN RURAL AREAS. SINCE 2013, 7 RURAL HOSPITALS IN GEORGIA HAVE CLOSED. PEOPLE ARE DYING.

NOW MORE THAN EVER, WE SHOULDN'T BE WORRIED ABOUT HOSPITALS FAILING, OR TURNING DOWN PATIENTS WHEN THEY NEED US THE MOST. BUT WE SHOULD WORRY THAT OUR LEADERSHIP REFUSES TO EXPAND MEDICAID FOR GEORGIANS. MEDICAID EXPANSION COULD PROVIDE 500,000 GEORGIANS WITH HEALTH INSURANCE AND FUNDING TO KEEP HOSPITALS OPEN.

GOVERNOR KEMO, HISTORY IS GOING TO JUDGE ALL OF US, INCLUDING YOU, ON HOW WE HANDLED THIS UNPRECEDENTED CRISIS.

SO MAKE SURE TO VOTE THIS YEAR. YOUR VOTE CAN HEAL GEORGIA AND SAVE LIVES. LEARN MORE ABOUT VOTING AT [PEACHVOTE.COM](https://peachvote.com).
