| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them, so that the animals will make welcome family members. Through watching his interactions with these animals, the viewer is encouraged to be sensitive to our own and other's behavior, and shown how we as individuals can make a difference. This program aired on the KGAN main digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | The key objective of this program is to familiarize children with the animals of the North American continent, their interaction with other animals, and their environment. Throughout the series, emphasis is placed upon protecting endangered species and the impact that humans have while interacting in their environment. The goal of this program is for the viewer to achieve a greater understanding of nature and specific animal species, with the aid of up-close and detailed photography throughout the program. Through this understanding, it is hoped that viewers will better relate to the natural environment in North America and learn to protect North America's animal species. This program aired on the KGAN main digital stream. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program explores what viewers are curious about. In each episode, host Joel Greene goes on a quest to answer viewer's letters of curiosity. Each episode takes the audience on location for a hands-on exploration to find the answer to the particular viewer's inquiry. Joel will go to the local population to get the answer, which is sometimes comical, to the question pertaining to the particular quest. This program aired on the KGAN second digital channel 2.2. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Various hosts and teens travel to destinations around the world, that can be both exotic and remote. This program is designed to educate, inform and entertain viewers about the world around them. Each journey is a lesson in the beauty of nature, earth's creatures, and the people who inhabit the land. The program is designed to make learning about our neighbors, both human and non-human, and the environment, fun. This program aired on the KGAN second digital channel 2.2. |

| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | This program explores the marine ecosystem from tributaries, rivers, and oceans. Viewers will develop an understanding that we are "key" in preserving the ocean environment. Aqua Kids teaches about the diversity and beauty of the marine environment and its potential destruction by pollution and carelessness of the human population, such as marine mammals dying from the ingestion of plastic, and toxic waste in our waterways, which can destroy the habitat and marine life. By showing the audience the problems they encounter, the Aqua Kids educate their peers on what can be done to solve environmental dilemmas. This program aired on the KGAN second digital channel 2.2. |

| Age of Target Child Audience from | 13 years to 16 years |
| Describe the educational and informational objective of the program and how it meets the definition of Core Programming. | Animal trainer, Brandon McMillan operates a training facility known as the Lucky Dog Ranch where his mission is to rescue hard-to love and untrained dogs and find them homes. The show focuses on exercising responsibility and developing a sense of appreciation for life and animals. Life lessons are an integral part of the theme of rescuing these animals from death and providing a second chance for life. In order to accomplish his goal, McMillan must investigate what each animal needs to find the appropriate method to retrain them, so that the animals will make welcome family members. Through watching his interactions with these animals, the viewer is encouraged to be sensitive to our own and other's behavior, and shown how we as individuals can make a difference. This program will air on the KGAN main digital stream. |
