

KSJT –FM San Angelo, Texas & KPTJ –FM San Angelo, Texas

Problems (Issues) & Programs List

December Q4 2022

Both stations are locally managed and involved in the community daily. The two stations serve the community by providing information on local events, changes within our community and creates awareness on issues within the city.

We have live/local DJ's who broadcast:

AM - News, charity fundraisers, school menus, garage sales, hiring, and community bulletin board.

PM – New, weather, live interviews informing on a topic such as politics

Problems that have been identified by company management include:

1. Crime and break-in precaution during the holidays
2. Cold weather places for the homeless
3. Cold weather shelter and homes for pets
4. Continued issue with staffing in businesses

Programs aired to address issues

1. PSA's and announcements from crime Stoppers
2. Working with the COSA on announcing locations in place for bad weather
3. Tips on keeping pets inside during lower temps and pet adoption sites
4. Program to announce job listings and companies looking to hire

Both stations also air weekly church programming for a total of six hours per station.

Most PSA's are provided by the Ad council or recorded within our studio.
