

## **KSJT –FM San Angelo, Texas & KPTJ –FM San Angelo, Texas**

### **Problems (Issues) & Programs List**

#### **March 2022 Q1**

Both stations are locally managed and involved in the community daily. The two stations serve the community by providing information on local events, changes within our community and creates awareness on issues within the city.

We have live/local DJ's who broadcast:

AM - News, charity fundraisers, school menus, garage sales, hiring, and community bulletin board.

PM – New, weather, live interviews informing on a topic such as politics

Problems that have been identified by company management include:

1. Mental health issues
2. Changes in tax filing and laws
3. Staffing in businesses

Programs aired to address issues

1. Interviews with organizations and airing PSA's on mental health help
2. Pre-recorded tax tips
3. Live Program that talks and airs certain job listing and companies looking to hire

Both stations also air weekly church programming for a total of six hours per station.

Most PSA's are provided by the Ad council or recorded within our studio.
