

KSJT –FM San Angelo, Texas & KPTJ –FM San Angelo, Texas

Problems (Issues) & Programs List

March Q1 2023

Both stations are locally managed and involved in the community daily. The two stations serve the community by providing information on local events, changes within our community and creates awareness on issues within the city.

We have live/local DJ's who broadcast:

AM - News, charity fundraisers, school menus, garage sales, hiring, and community bulletin board.

PM – New, weather, live interviews informing on a topic such as politics

Problems that have been identified by company management include:

1. Continued cold weather alerts and school announcements
2. Complaints about tax appraisal rates
3. ADA accessibility issues within the city of San Angelo
4. Water Contaminants found in San Angelo

Programs aired to address issues

1. PSA's and announcements for schools and COSA
2. Interviews explaining the increase on the TGCAD
3. Inviting community to attend the City Council meeting
4. Alerting the community with the most current information about the water situation

Both stations also air weekly church programming for a total of six hours per station.

Most PSA's are provided by the Ad council or recorded within our studio.
