# Issues of Concern to Listeners Within the WDOT-FM Coverage Area

WDOT-FM broadcasts the nationally syndicated program “eTown”. The show's mission is to “...educate, entertain and inspire a diverse audience through music and conversation in order to create a socially responsible and environmentally sustainable world.” WDOT-FM feels that listeners in our area place significant value in diversity, and environmental sustainability. Accordingly, we feel this program is pertinent to individuals with those concerns. Additionally, the program covers other topics which benefit humankind globally
