RE: 2018-2020 Broadcast Carriage Election - Retransmission Consent

Dear Ladies and Gentlemen:

Tribune Broadcasting Company, LLC (“Broadcaster”), on behalf of its wholly owned licensee subsidiaries, hereby provides DISH NETWORK LLC (“Operator”) with this notice pursuant to Section 325(b) of the Communications Act of 1934, as amended, and Section 76.64(f)(2) of the rules and regulations of the Federal Communications Commission (“FCC Rules”). Broadcaster is the ultimate owner of licensees of the television stations identified in Attachment A hereto (each, a “Station”).

For the period January 1, 2018 through December 31, 2020, each Station licensee hereby elects RETRANSMISSION CONSENT with respect to each such Station’s digital signal on each of Operator’s multichannel video programming distribution systems (each, a “System”) in each such Station’s respective Television Market, as defined in Section 76.55(e) of the FCC Rules, and identified by Nielsen Designated Market Area (“DMA”) in Attachment A, including, but not limited to those Systems identified in Attachment B. Accordingly, your MVPD system(s) may not retransmit the broadcast signal of any Station, or any portion(s) thereof, unless you obtain Broadcaster’s prior express written consent.

Our contact person for retransmission matters is Mark Boyes, who can be reached via email at [MBoyes@Tribunemedia.com](mailto:MBoyes@Tribunemedia.com) or via phone at 484.800.5829.

Sincerely yours,
