

## QUARTERLY ISSUES/PROGRAM LISTS

There follows a listing of some of the significant issues responded to by Station WOOF-FM along with the most significant programming treatment of those issues for the period April 1, 2012 to June 30, 2012. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of Issue	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program/Segment
Joseph M. Farley Nuclear Plant located near Dothan, 5 miles south of Columbia, AL in Houston County along the Chattahoochee River, is a 2 unit nuclear plant and its first unit went into operation in 1977. Keeping the community abreast of safety performances is of key importance.	Newscast	4/7/12	11:55am	1 min	According to WOOF News anchor Deborah Pearson, the U.S. Nuclear Regulatory Commission will hold an open house this afternoon to discuss the agency's assessment of safety performance during 2011 at the Farley Nuclear Plant. The sessions which is open to the public will feature staff members from the NRC will be on-hand to answer questions on the safety performance of the Farley Nuclear Plant as well as the NRC's role in insuring safe plant operations.
Children and Adults with mental and/or physical challenges have an opportunity to play baseball in an organized league, it's called the Dothan Miracle League. Thanks to Dothan Rotary Club and the Dothan-Houston County Rotary Club our community has a wonderful facility with a custom designed field with a cushioned rubberized surface to help prevent injuries, wheel chair accessible dugouts, and a completely flat surface to eliminate any barriers to wheelchair-bound or visually impaired players. Funding is needed to maintain the facility	Live Remote Broadcast  108 recorded Serving the needs of our Community announcements promoting Beverly Middle School's Miracle Field Day benefiting Miracle League Foundation	5/25/12  5/12/12-5/25/12	10am to 12noon  2400-2400 hours	2 hour live on-location remote  :30 secs	The WOOF staff consisting of Gary Gibson, Kendell Gibson and the WOOF FM Mascot, the WOOF Wolf on May 25, 2012 conducted a 2 hour live remote broadcast from Beverly Middle school for their end of school field benefiting the Dothan Miracle League. What makes this event particularly touching is the fact that the students themselves decided on which local charity to receive the benefits of the events. Teachers and students enjoying the celebration raised and donated \$1300 for Miracle Field. The event featured games and rides but the students took something much more meaningful from this day that giving back is the best part of the day.

<p>The Dothan-Houston County Substance Abuse Partnership promotes an awareness of drug and alcohol problems that involves both young and old alike. The partnership tries to create solutions by reducing of alcohol, tobacco and other drugs. The partnership also helps educate and prevent bullying.</p>	Interview	6/15/12	6:49a	2 mins	<p>Betty Ford, program manager for the Dothan/Houston County Substance abuse partnership spoke of how the partnership is celebrating their own version of dancing with the stars, “Dancing with the Stars/Dothan Style”. The event has become the premiere fundraiser for the partnership. The partnership uses these funds to provide education and awareness about substance abuse, abuse, bullying education, and information about other destructive decisions. They also provide life skills education by visiting local schools kindergarten through 12<sup>th</sup> grade.</p>
<p>Ground Water Day at Wallace Community College...while Earth is made up of 70% water, only a small fraction of it can be consumed. The entire population of the Wiregrass is solely dependent on groundwater for their drinking consumption. Therefore it is important that children learn where this water comes from, what it takes to protect it and keep it clean now and forever.</p>	Live remote broadcast	5/11/12	8:00am-9:00am	1 hour live on-location remote broadcast at Wallace community College	<p>WOOF FM staff members Laura Pate, Brad Bailey and the WOOF-FM mascot, the WOOF Wolf were there to greet the local 4<sup>th</sup> graders and to tell the public about the annual Ground water Day. The students attend workshops on where drinking water comes from, keeping aquifers clean and the importance of recycling. The issues of pollution are discussed. According to school officials, the event has been area 4<sup>th</sup> graders favorite field trip for years.</p>

<p>“Bark in The Park”...a fund raiser supporting The Dothan Animal Shelter. The funds raised will be used to improve the living conditions of animals housed at the shelter so that all shelter pets will be housed in clean, dry, and well maintained kennels and/or cages. The Dothan Animal Shelter also has a partnership with Sav-A-Pet. This partnership’s goal is to minimize the number of animals euthanized at the shelter and instead give the misplaced an opportunity to find a forever home.</p>	<p>Live remote broadcast</p>	<p>5/19/12</p>	<p>9:00am-11:00am</p>	<p>2 hour live on-location remote broadcast from Eastgate Park</p>	<p>WOOF FM staff members Gary Gibson, Kendell Gibson and the WOOF-FM mascot, the WOOF Wolf were pleased to be part of this family and pet day at Eastgate Park to raise money for the Dothan Animal Shelter. There was a 5k run, a car show, live bands, pet contests, food, and a low cost rabies clinic. Also on site pets were available through the partnership of Sav-a-pet and The Dothan Animal Shelter. It was all just good clean fun for people and their pets.</p>
<p>Wiregrass Area Food Bank is a non profit hunger relief charity that solicits and collects donated food in Houston, Henry, Dale, Geneva, Barbour, and Coffee counties in Alabama. Some of the programs who benefit from the area Food bank are homeless shelters, senior citizen programs, assisted living, soup kitchens, emergency shelters, just to name a few.</p>	<p>Live remote broadcast</p>	<p>4/27/12  5/3/12</p>	<p>4:00pm-6:00pm  4:00pm-6:00pm</p>	<p>2 hour live on-location remote broadcast from Euford IGA in Cowarts  2 hour live on-location remote broadcast from Headland IGA in Headland</p>	<p>WOOF FM staff members Amy Dee, Brad Bailey and the WOOF-FM Mascot, the WOOF Wolf. As the food bank distributes food to local agencies, feeding the needy in a 6 county area, the need for donations are great and that is precisely why we held the food drive live remote broadcasts. As this food is freely distributed by the local agencies, it is taking care of the hungry, the elderly, the children and the homeless within the WOOF-FM listening area.</p>
