Retransmission Consent Election

To Whom It May Concern:

Pursuant to the Communications Act and the rules of the Federal Communications Commission, this is to notify you that Televiscentro of Puerto Rico, LLC, the licensee of stations WAPA-TV, San Juan, WNJX-TV, Mayaguez, and WTIN-TV, Ponce (collectively, the “Stations”), each located in the Puerto Rico market, hereby elects retransmission consent with respect to carriage of the Stations’ signals on your system or systems operating in Puerto Rico. WNJX-TV and WTIN-TV operate as “satellite” stations and rebroadcast the signal of WAPA-TV. This election of retransmission consent covers the period from January 1, 2018 through December 31, 2020.

This election will not affect the carriage of any of the Stations’ signals by your system pursuant to the current retransmission agreement between Televiscentro and your system. If there is no retransmission consent agreement in place as of 12:01 AM on January 1, 2018, your system will need to obtain our express prior approval in order to retransmit any of the Stations’ signals after that time.

We look forward to working with you to negotiate the continued carriage of WAPA-TV on your system. If you have any questions, please contact me, Jose Ramos, P.O. Box 362050, San Juan, PR 00936, 787-792-4444 / joe.ramos@wapa.tv.

Sincerely,

/s/ Joe Ramos
