Beth,

Received and processed 10-2-23.

We will make the changes in our system, and I'll upload the cancellation to the FCC website.

Thanks.

Subject: Defending Family Values Buy Cancelled

I am very sorry, but as of today, this order has been cancelled all across Kentucky. There is a chance they will add it back into the buy closer to election, but not now. Please cancel and confirm.

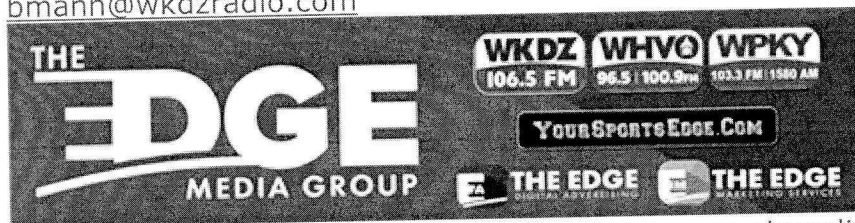

Again, my apologies. Political seasons just keep getting tougher.

Be assured, we will do our best to get the dollars placed again.
