**Re: Section 76.1609 Notification of Non-Duplication and
Syndicated Exclusivity for TDS Telecommunications
Corporation's Farragut, TN System, CUID # TN0754**

Dear Ms. Dortch:

TDS Telecommunications Corporation ("TDS") hereby notifies the Commission, pursuant to Section 76.1609 of the Commission's rules, that effective January 14, 2009, TDS's Farragut, TN system, CUID # TN0754, is providing service to one thousand (1,000) or more subscribers.

TDS is serving a copy of this notice on each commercial and non-commercial television station that would be entitled to exercise network non-duplication or syndicated exclusivity protection against the system.

Questions and correspondence concerning this matter should be directed to the undersigned.

Respectfully submitted,

Dear Mr. Tindell,

TDS Telecommunications Corporation ("TDS") is the owner and operator of a broadband system being developed in and around the Town of Farragut (the "System") which will provide, among other services, cable television services to subscribers.

TDS seeks retransmission consent for the carriage of the signal of WKOP, whether analog or digital, by the System owned and operated by TDS. TDS plans to carry WKOP signals in full and without material degradation to subscribers of the basic tier of service.

Please sign where indicated below to grant retransmission consent to TDS for the carriage of the signal of WKOP on the System.

Sincerely,

TDS Telecommunications Corporation

**Re: Mandatory Carriage Election
WKOP(TV), Knoxville, TN DMA**

Dear Mr. Tindell:

Thank you for your letter received May 14, 2003, and look forward to carrying WKOP per federal must carry regulations upon launch of local-into-local in the Knoxville, TN DMA.

Provided EchoStar proceeds with the launch of local service in your DMA, EchoStar will carry WKOP so long as the station complies with all applicable must carry regulations, including the delivery of a good quality signal to the local receive facility.

EchoStar reserves the right to reject those stations that fail to deliver a good quality signal. Please contact Paul James, Field Engineering Manager, at our Cheyenne, WY Uplink facility at (307) 633-5296, should you anticipate signal delivery issues.

EXHIBIT D

CARRIAGE AND CONSENT AGREEMENT

This Carriage and Consent Agreement (this "Agreement") is entered into as of January __, 2002, by and between _____ ("Station Owner"), the Federal Communications Commission licensee of the public broadcast television Station WSJK, WKOP ("Station"), and Echostar Satellite Corporation ("ECHOSTAR"), a Colorado corporation having its principal place of business at 5701 South Santa Fe Drive, Littleton, Colorado 80120.

WHEREAS, Station is licensed by the Federal Communications Commission ("FCC") to operate a non-commercial, educational television broadcast station in the Local Territory (as defined below); and

WHEREAS, ECHOSTAR owns and operates a direct broadcast satellite television system in North America pursuant to which ECHOSTAR distributes programming in certain territories in the United States (the "ECHOSTAR System"); and

WHEREAS, ECHOSTAR has agreed to carry Station on the ECHOSTAR System in accordance with the terms and conditions of the Memorandum of Understanding dated as of December 28, 2001 by and among ECHOSTAR, Public Broadcasting Service ("PBS") and the Association of Public Television Stations ("APTS"), as amended from time to time, attached hereto as Exhibit A (the "MOU"); and

WHEREAS, ECHOSTAR wishes to obtain Station's consent to carriage on the ECHOSTAR System of the PBS National Feed (the "Service") as provided in, and solely in accordance with the terms and conditions of, the MOU;

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants and agreements set forth herein, the parties agree as follows:

1. DEFINITIONS.

(a) "Local Territory" shall mean, with respect to Station, the "designated market area" (DMA) as defined in 17 U.S.C. § 122(j)(2)(C).

(b) "Signal" shall mean the Station's signal and any other material that ECHOSTAR is required to carry pursuant to the Must Carry Rules.

(c) "Must Carry Rules" shall mean the rules and regulations adopted by the FCC implementing Section 338 of the Satellite Home Viewer Improvement Act of 1999, currently codified at 47 C.F.R. § 76.66 et seq., as those rules may be amended from time to time.

(d) "Subscribers" shall mean those customers (including but not limited to residential and commercial customers) authorized by ECHOSTAR to receive services via the ECHOSTAR System.

create any liability on the part of one party to this Agreement to the other party arising out of such carriage; provided, however, that nothing in this Agreement shall constitute a waiver or release of, or be construed to waive or release, any claim either party may have against the other party, whether in law or equity, as a result of any claims, assertions or demands made against the party by any third party.

7. AFTER-ACQUIRED STATION. In the event that Station or any Affiliated Company of Station becomes the owner, operator, manager or agent (i.e., obtains the authority, however derived, to consent to carriage) or licensee of any additional broadcast television station after the date of this Agreement (an "After-Acquired Station"), then such After-Acquired Station, immediately and forthwith for the remainder of the Term of this Agreement, shall be entitled to carriage of its Signal within its Local Territory pursuant to this Agreement, and otherwise shall be subject to the terms and conditions of this Agreement.

8. TERMINATION.

(a) Either party to this Agreement may terminate this Agreement upon:

(i) Any breach by the other party of any representation, warranty, or covenant of the other party hereunder, or any failure by the other party, its successors or assigns to perform any material obligation hereunder that is not cured within thirty (30) days after receipt of written notice thereof from the affected party, or as to which reasonable steps to cure have not been commenced within such period (or are not thereafter diligently pursued and completed within an additional thirty (30) days);

(ii) The filing of a petition in bankruptcy or for reorganization by or against the other party under any bankruptcy act; the assignment by the other party for the benefit of its creditors, or the appointment of a receiver, trustee, liquidator or custodian for all or a substantial part of the other party's property, and the order of appointment is not vacated within thirty (30) days; or any assignment or encumbrance by the other party of this Agreement contrary to the terms hereof;

(iii) The occurrence of a Force Majeure that the non-performing party is unable to correct and which prevents the non-performing party from resuming performance within eighteen months from the event of Force Majeure; or

(iv) If ECHOSTAR's compulsory copyright license as provided in 17 U.S.C. §122 is suspended, set aside, or ruled unlawful.

(b) Termination of this Agreement shall not relieve ECHOSTAR of any obligations to Station and Station Owner applicable to ECHOSTAR, nor relieve Station and Station Owner of any obligations to ECHOSTAR applicable to Station or Station Owner, under the Must Carry Rules.

9. FORCE MAJEURE. Neither Station nor Station Owner, on the one hand, nor ECHOSTAR, on the other hand, shall have any liability to the other for any delay, preemption or

transfer this Agreement, or any of such party's rights or obligations under this Agreement, without the prior written consent of the other party to this Agreement.

12. CONFIDENTIALITY. Neither ECHOSTAR nor Station Owner shall disclose to any third party (other than each party's respective directors, trustees, employees, in their capacity as such, its auditors and its attorneys), any information with respect to the terms and provisions of this Agreement except: (a) to the extent necessary to comply with the valid order of an administrative agency or a court of competent jurisdiction, in which event the party making such disclosure shall so notify the other as promptly as practicable (and, if possible, prior to making such disclosure) and shall seek confidential treatment of such information; (b) as part of its normal reporting or review procedure to its parent company, auditors, attorneys and potential investors; (c) in order to enforce its rights pursuant to this Agreement; (d) if mutually agreed by ECHOSTAR and Station Owner in advance and in writing; and (e) if Station Owner is a state or local government entity, then to the extent required under applicable State or local laws or regulations. Neither party shall issue any press release concerning this business relationship or the existence of this Agreement without the prior consent and approval of the other party.

13. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Colorado applicable to contracts made and fully performed therein, except to the extent that the parties' respective rights and obligations are subject to mandatory State or local laws or regulations applicable to a state or local government entity. This Agreement constitutes the entire agreement and understanding between the parties hereto with respect to the subject matter hereof and supersedes all prior or contemporaneous, express or implied, written or oral agreements, representations or conditions between the parties with respect thereto.

14. COPYRIGHTS & TRADEMARKS.

(a) ECHOSTAR recognizes, as between ECHOSTAR and Station Owner, Station Owner's exclusive right, title and interest in and to Station's trademarks, service marks and Signal, Station's license to broadcast and otherwise distribute the names, marks, logos and call signs of Station, and the programming broadcast or otherwise distributed by Station. Nothing in this Agreement shall be construed to grant ECHOSTAR any ownership interest in any trademarks, service marks, copyright or other rights in or to any programming or other material delivered by Station to ECHOSTAR or authorized by Station for distribution by ECHOSTAR under this Agreement. ECHOSTAR acknowledges that its transmission of Station's Signal under this Agreement is pursuant to the compulsory license granted under Section 122 of Title 17 of the United States Code.

(b) Station Owner and Station recognize ECHOSTAR's exclusive right, title and interest in and to ECHOSTAR's trademarks, service marks, marks and logos (collectively, the "Marks") and shall not use said Marks without ECHOSTAR's prior written approval.

15. SEVERABILITY. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any such provision shall not affect the validity or enforceability of any other provision hereof. If any provision of this Agreement, or application thereof to any

WSJK

party or any circumstance, is invalid or unenforceable, then (i) the parties shall negotiate in good faith to reach agreement on a suitable and equitable substitute provision to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision, and (ii) the remainder of this Agreement and the application of such provision to other parties or circumstances shall not be affected by such invalidity or unenforceability.

16. WAIVER. No waiver of any provision of this Agreement by either party shall be deemed a waiver of any other provision of this Agreement by such party, nor shall such waiver be deemed a continuing waiver of any provision hereof by such party.

17. OTHER AGREEMENTS. Nothing in this Agreement shall prevent ECHOSTAR from entering into agreements with licensees of other public television stations concerning the carriage of said stations' signals, nor shall anything in this Agreement prevent Station Owner from entering into agreements with other multi-channel video programming distributors for carriage of Station's or Station Owner's Signal.

18. THIRD PARTY BENEFICIARIES. Nothing in this Agreement, express or implied, shall confer, or be construed to confer, upon any third party any rights or remedies of any nature whatsoever including, without limitation, any claim that such party is a third party beneficiary under this Agreement.

19. COUNTERPARTS. This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all such counterparts together shall constitute but one and the same instrument. The parties also agree that this Agreement shall be binding upon the faxing by each party of a signed signature page thereof to the other party. If such a faxing occurs, the parties agree that they each also will immediately post, by Federal Express or other appropriate overnight courier, a fully executed original counterpart of the Agreement to the other party.

Re: WKOP 15 (Knoxville DMA)

Dear Mr. Tindell:

This letter shall serve as notice to WKOP 15 of DIRECTV's intent to provide local into local service in the Knoxville Designated Market Area ("DMA") no earlier than September 6, 2002, in accordance with Section 338 of the Communications Act of 1934 and the Federal Communications Commission's Rules.

The local receive facility ("LRF") in the Knoxville DMA is located at 500 West Summit Hill Drive, 2nd Floor, Knoxville, TN 37902.

Technical questions can be forwarded via email to SHVIA-Tech@directv.com. All other correspondence regarding this matter should be sent by certified mail, return receipt requested to DIRECTV Local Into Local, 2230 E. Imperial Highway, Mail Stop N344, El Segundo, CA 90245.

Re: WKOP-TV (Knoxville DMA)

Dear Mr. Tindell:

We are in receipt of your letter requesting mandatory carriage for WKOP-TV in the Knoxville local market.

We are pleased to inform you that DIRECTV will commence carriage of WKOP-TV, in accordance with Section 338 of the Communications Act of 1934 and the Federal Communications Commission's Rules, in the Knoxville local market along with other qualifying local television broadcast stations no earlier than September 6, 2002. We will be in touch with you again regarding a specific launch date.

WKOP's over-the-air signal at our local receive facility in the Knoxville local market meets the good quality signal standard specified in the Federal Communications Commission's Rules. We judge the subjective picture quality to be good, relative to the best off-air reception. The signals for some stations in your market may be delivered to our local receive facility by TV-1 fiber, which provides picture quality superior to the best off-air reception. If you wish the quality of your signal carried by DIRECTV to compare favorably with these other stations in your market, we suggest that you provide your signal to our local receive facility by fiber, microwave, or other high-quality, reliable direct means. In accordance with the FCC's Rules, WKOP-TV would pay the cost of such delivery mechanisms.

Technical questions and those related to the local receive facility can be forwarded by email to SHVIA-Tech@directv.com. Correspondence unrelated to the local receive facility should be sent to DIRECTV Local Into Local, 2230 E. Imperial Highway, Mail Stop N344, El Segundo, CA 90245.
