ISSUES AND PROGRAMS LIST FOR KSDW RADIO

TEMECULA CA

QUARTER ENDING
September 30, 2014

Section 73.3526(e)(12) of FCC Regulations specifically requires licensees to place in their public inspection file for each calendar quarter, a list of programs that have provided the station's most significant treatment of community issues during the preceding three month period.

This quarterly "Issues and Programs List" must include a brief narrative describing what issues were given significant treatment and the programming that provided this treatment. Copies of the issues/programs lists must be retained in the public inspection file until final action has been taken on the station's next license renewal application.

The following is our list of issues, concerns, and information categories relevant to listeners in the Temecula – San Diego region that were covered in specific KSDW radio programming during the 3rd quarter of 2014. In following pages you will find a list of the programs we aired that addressed these concerns.
