July-September 2021 Quarterly Issues and Program Reports for WMKY, Morehead State Public Radio

The top issues covered by WMKY News during the last three months include a total of 1,173 stories with sound. By category, those stories include:

Arts/Culture: 182

Government: 135

Education: 145

Economics: 106

Health: 371

Police and Fire: 52

Legal/ Courts: 44

Human Services: 49

Environment: 16

Transportation: 19

Agriculture: 12

Weather/ climate: 19

Housing: 6

Minority/ Women: 2

This quarter's numbers reflect a gradual increase in alarm concerning COVID-19 and the delta variant. The expected return to quasi-normalcy in July backfired and hospitals are overwhelmed once again.

The numbers also reflect increasing trend in the number of Government-related stories, as we experienced a special-called session, and partisan politics continue to be in the spotlight during the health crisis.

Legal and court stories remain steady, although police and fire stories have decreased in frequency. This could be related to a statewide downward trend in reported criminal acts.

Issues to be of importance to WMKY News in the next quarter will continue to be COVID-centric, as vaccinations for children age 5 to 11 are expected within the first month and booster shots are rolling out for the previously-vaccinated. I do anticipate health, government and education will continue to be our most frequent story topics

Leeann Akers

News Director, WMKY

Morehead State Public Radio

Open Mic

HOSTED BY <u>LEEANN AKERS</u>

OPEN MIC / MOREHEAD STATE UNIVERSITY

Open Mic, a half-hour talk show at 9 am and 4 pm every Friday on Morehead State Public Radio. Visit with newsmakers, artists, authors, politicians and public servants as we discuss the issues that are critical to our region.
