### Re: Warner Bros. Discovery, Inc. - 2023 Children's Television Act Certification

Dear Affiliate:

This letter is intended to assist you in satisfying your obligations under the Children's Television Act of 1990 and the Federal Communications Commission ("FCC") regulations relating thereto in connection with your carriage of our video programming services that aired "children's programming" as defined by the FCC in the calendar year of 2023. To the best of my knowledge and belief, I certify the following:

1. Each of our networks has fully complied with the provisions of the Children's Television Act of 1990 and the FCC rules and regulations promulgated thereunder for "children's programming" during the 2023 calendar year other than the incident specifically identified in Paragraph 2. The WBD television networks include Cartoon Network, Boomerang, Discovery Family Channel, Discovery Familia, HBO Family, TBS, TNT, Turner Classic Movies, TruTV, CNN, HLN, Discovery, Science Channel, TLC, Animal Planet, Investigation Motor Trend, Oprah Winfrey Network (OWN), Discovery en Espanol, Discovery Life Channel, American Heroes Channel, Destination America, HGTV, Food Network, Travel Channel, Cooking Channel, Magnolia Network, Hogar, Cinemax, and HBO branded television networks.
2. On Thursday, November 16, 2023, Cartoon Network inadvertently aired two commercials twice during the 4 p.m. hour due to a technical error occurring between the scheduling and playout automation systems, causing a 30-second commercial time overage in the clock hour.

Sincerely,

**WARNER BROS. DISCOVERY, INC.**
