Description: Elko County School District Superintendent Clayton Anderson explains the financial affect on Nevada school districts with the Net Proceeds of Mines Tax passed by the legislature. Part 1: districts expected that the 2021-22 school year funds from the state would not change and that the new distribution of funds process would being in the 2022-23 school year. However, districts were surprised that the state demanded refunds now. In Elko's case that's a \$4 million dollar reduction in the budget.		

Program: SUNDAY MORNING PUBLIC AFFAIRS		
Date: July 17, 2022	Time: 6:30 a.m. - 6:31 a.m.	Host: Larry Walker
Description: Elko County School District Superintendent Clayton Anderson explains the financial effect on Nevada school districts with the Net Proceeds of Mines Tax passed by the legislature. Part 2: \$4 million dollars less in the district budget reduced by the state. Fortunately the Elko school district is financially stable and able to absorb the loss. However, smaller school districts are greatly affected as the reduction is a more significant percentage of their budgets.
