

OP-ED COMMENTARY FROM GRACE KOCHER

REQUESTED BY MS. KOCHER ON 10/27/2022

AIRED 11/2 to 11/7, 2022 at NO CHARGE

“Regarding Mansfield Township question #2 on the November 8 ballot, Mansfield Township is proposing to withdraw from the Warren County Library system and establish a library in the Township. It is being touted that it would save Mansfield taxpayers money. I do not agree. Also, the proposed location would not be ideal for most township residents, as the majority of residents are close to Hackettstown and have access to the Warren County branch in Independence Township. I urge you to vote “no” on Public Question 2. Thank you.”
