Portland Radio Group Interns

Because of the Pandemic we limited our intern program this year. In abundance of caution we had only 1 intern in our **internship program**. The program provides in-depth training in all aspects of Programming, Promotions, News, Sales and General Administration at the Portland Radio Group cluster of stations. Our program is designed to assist members of the community to acquire skills needed for broadcast employment.

Peter Natali

A college student studying at University of Maine at Orono was an intern from June 2020 to August 2020. He actually then helped in our Newsroom periodically after his internship was completed

All recruitment events were cancelled due to the Pandemic
